

“Explanatory Up-Dates, & Notes”, concerning
the: “Criminal-Conspiracy Complaint of
Fraudulent-Declarations of Corona-Virus Emergency”,
as that Complaint is presently Filed & being Prosecuted
in Our “USA Supreme-Court-of-Law”.

Up-Dates concerning Availability of Important Documents:

This Document contains a number of important “Explanatory Notes & Up-Dates”, concerning both our “Criminal Complaint” Document, & our “Model Jury-Verdict” Document, as both of those documents are Moving Our “USA Supreme-Court-of-Law”, towards a soon-expected “Final Judgement”. Both of those documents are tightly focused on the “Fraudulent-Declarations of Corona-Virus Emergency”, which are Resulting in the Exercise of Tyrannical & Despotical Military-Police-State Powers, over our Common American People; all as is more fully presented in their present forms, respectively, here:

At this stage of our Court’s progress with this case, the More Important Document for our Concerned-Activists to review, is our “Model Jury-Verdict” Document, as presented in the second & last web-link immediately above here.

This larger & Official “Model Jury-Verdict” Document, consumes a full Thirteen-Pages, (13); & it does take a bit of time & effort to fully review & gain a complete comprehension of.

In efforts to decrease the burdens on our activists who are making good-faith efforts to assist in this important national effort, we have composed a Much Shorter & Easier to Read Three-Page (3) “Abbreviated & Transcribed Summary” of this “Model Jury-Verdict” Document; which is available thru our web-link here:

Further Explanatory-Notes:

Eventually; our more serious activists & supporters will need to read our Court’s main Larger-13-Page “Model Jury-Verdict” Document. That larger official 13-Page document is still a number of Steps Away-From Being Completed. Issues still remaining include the following:

We still Need a Full Twelve Jurists to Agree to Take a Stand on this important issue. We only have Nine-People Signatory presently; & it has been a while since all of them have been checked-in with, & their situations may have changed since leadership last spoke with them.

Charles is quite happy with how this Jury-Verdict document is shaping-up; &, since the federali defactos currently seem inclined to ratchet-up their military-police-state tactics on this Corona-Virus issue; I do believe, that, it should be fairly easy for us to find sufficient other patriots who are willing to fill our present short-fall, in our efforts to secure a full common-law compliant “Twelve Jurors”.

Remaining Procedural Steps:

1: “Build Consensus”, Among “Twelve Potential-Jurists”, as to What our “Final Judgement Document” should actually Look Like, How it should be Worded, Formatted, & Packaged.

This Final Document Must Reflect the “Consensus”, of “All Fully-Informed & Socially-Responsible Americans”, on this important issue.

2: Our Court Leadership Will Schedule an Official “Court-Hearing Date”, for our First Formal “Open & Public Court-Hearing” to begin. We will host our Court Hearings via “Video-Conferencing”, on the Internet, likely under the computing-program called “Zoom”. If any Opposing Parties actually Appear & Mount any sort of a plausible Defense; & If More Time is Reasonably Need to Fully Hear All Possibly Reasonable Arguments being presented; then, we will Schedule Additional Court-Hearing Video-Conferences, as needed. We will Not Proceed to Any “Final Judgement”, until After All Possibly Reasonable-Arguments have been Fully Heard & Reviewed, by All Twelve of our Jurists.

Also; We Will Invite Opposing-Parties, to “Bring Their Own Witnesses”, even also to “Act as Jurists”, & to Participate as Jury-Members, In the Final-Resolution of Our Court’s Final-Judgement, on this important case. We think they will likely not so move to bring in their own witnesses/jurists, but, if they do that, then we can deal with that development, lawfully.

Of particular note here, is, if any of their possible witnesses/jurists make arguments that are either un-reasonable or un-lawful; & they refuse to correct their obvious errors; then, those opposing jurists/witnesses may be added to the complaint as criminal co-conspirators.

We really do not think it very likely that these scenarios will actually develop.

But, the fact that we are inviting them to bring their own witnesses, to act as jurists; is a very Powerful Point in Our Procedures, which Will Appeal very Broadly To Common-Americans, who, eventually, will likely be hearing massive amounts of subversive-propaganda designed to under-mine the legitimacy of Our Court’s Final-Judgement.

Note please, also; ... that, ... Not All “Jury Members” Need to be Actually Be Present during All “Court Video-Conference Hearings”, in order for them to Legitimately “Qualify”, as “Signatory Jurists”, in the Final-Judgement & Jury-Verdict Document which they will eventually be asked to sign in support of. All of our Court Hearings Will Be Recorded, & All Jurists who are Not Able to Attend Some Hearings Will be Encouraged to Review Previous Recordings of our Court-Hearings, as related to this case. The “Final Threshold” for “Jury-Signature Qualifications”, is Only, that, Each Juror Must Solemnly Affirm, that, they have “Sufficiently Reviewed All Evidence & Testimony In This Case, In Order for them to Confidently Affirm that our Final-Judgement Document, is Fully Truthful & Justified”.

That is it. And in light of the massive amount of Evidence which has already been made publicly available to every American; & in view of the manner in which the opposing-parties routinely evade all efforts to openly & publicly communicate about the core-issues involved in this case; here-under, it is entirely plausible, that, Jurists assisting in the formulation of our Court’s “Final Judgement” in this case, Might even Not Participate in most of our Court Hearings, & they might Not have actually Reviewed very Much of the Evidence & Testimony, which has actually been presented in Our Court’s Hearings.

Again: the “Final Threshold” for “Jury-Signature Qualifications”, is Only, that, Each Juror Must Solemnly Affirm, that, they have “Sufficiently Reviewed” All Evidence & Testimony In This Case, In Order for them to Confidently-Affirm that our “Final-Judgement” Document, is “Fully Truthful & Justified”.

In most cases, including likely this one; Common-Law Due-Process is Really “Quite Simple”.

3: Once our First Court-Hearing Date is Scheduled, with allowing plenty of time in advance; then, our Court Will Issue “Summons’s”, to the Opposing Parties, at least to their core-members, & this With Broad & Public Advertising, which is designed to be Sufficient for Reasonable People to Recognize, that, All Opposing Parties Did Receive Reasonable Notice of these Official Court-Hearings.

4: Once our Court Video-Conference Hearings Have been Completed; Then our Jurors Listed thus-far, & all those agreeing to be listed in the near future; Will Be Consulted, & Asked to Make Any "Final Alterations", to our Court's "Model Jury-Verdict" document.

Here-under; Each Jurist Will Have an Equal-Voice & Vote In their "Final Approval" of our Court's “Final Judgement” document.

Only Then Will Our Publicly Court Issue This Document as our Legitimate Seventh-Amendment "Jury-Verdict & Final-Judgement" document.

Note; during this stage of our proceedings, this is Only a “Partial Final Judgement”, on Only the Specific Issues Adjudicated In This “Final Judgement” Document; & that Other “Final Judgement” Documents likely will follow here-after; & that, some of them may even include “Arrest Warrants”, & “Punishment Orders”, including possible “Prison-Sentences, Fines, &/or Seizures-of-Property”.

5: After all of the preceding steps have been completed, Then we will Begin Addressing All Other Remaining Important-Issues; including such issues as “Economic-Funding”, & the all-important issue of “Enforcement”.

Concluding Notes:

At this stage; we still need our Jurists to Review our Full “Jury Verdict” Document, Sufficiently, to either:

1: Agree to Affirm Your Verification of the Truthfulness & Justification for that document; or:

2: Edit specific Portions of that document, in manners where, there-after, you Then Can: Affirm Your Verification of the Truthfulness & Justification of the document.

Our 11 Other Jurists Will Be Presented With any Up-Dated Editorial-Changes which any of our Jurists might submit in this manner.

Building Consensus & Unanimity on this important issue is Our Most Important Prioritized Concern.

God’s kingdom come, God’s will be done; ...
