"Pastor Daniel Johns", of Florida; has frequently made his own presentations in our conferences. For over a year now, Pastor Dan has been working with our Chief Conference Organizer, Charles Stewart; in our Joint-Efforts to Promote the "Organizing of Armed-Communities" of Legitimate Constitutional "Peace-Officers", Including Sheriffs, JoP's, & Constables, & their Deputies; all for purposes of Supporting These Legitimate Locally-Elected & Meaningfully-Accountable "Peace-Officers", in their "Duties To God", & their "Duties to Their Communities" To: "Keep-the-Peace".

Here-under; "Pastor Dan", has frequently presented his Historical Summary, of, how, our more modern Sixth & Seventh Amendment "Constitutional Common-Law" Traditions, of Organizing Smaller Local "Responsibly Self-Governing Communities", are actually Derived From the Historical Remnants & Roots, of, Our "Biblical Torah-Law" based: "Exodus-18 Model-of-Government".

As Dan here routinely explains; Inherently, this subject Includes, our Second & Sixth Amendment Rights, & "Duties To God", to Organize Socially-Responsible & "Able-Bodied Men", who are "Armed To the Teeth", & who are "Capable of Going To War", either when so "Judicially-Authorized", or, when Time-Constraints might Reasonably Legitimize some sort of "Emergency Militarized-Response".

Dan here routinely focuses most of his presentation, on, how, our Biblical Torah-Law Tradition of Organizing & Maintaining Our own Smaller "Self-Governing Communities", Was Brought To America By "Protestant-Christian People" of "European, Anglo/Saxon, & Caucasian Ancestry"; even though, over time, many other good people, from many other cultures, have constructively contributed to its development.

Dan here also routinely explains, how, Objective "Evidence", Powerfully Indicates, that, Those "Protestant-Christian Europeans", Were the "Descendants" of, the "Israelite People"; who, After the Destruction of the Local Israelite-People, by the Roman-Empire Slave-Traders, in ad-70; Those Same "Israelite-People" Migrated, in-to Northern-Europe, Through the Caucasian-Mountains, in their heroic efforts to Successfully Evade Brutal-Conquest & Mass-Murdering Genocide by the Despotic Slave-Traders of the Roman-Empire.

Dan here further routinely Explains, Why, Modern Statutory Roman-Empire-Sourced "Civil-Government", Is Routinely "Used as A Tool", by Leaders of Not Only Both the Pharisee/Ashkenazi "Jews"; & the Roman-Catholic Church; & also by many Other Roman-Empire-Influenced Religious-Communities; "All Leaders" of which, are Obviously "Conspiring Together", to Promote the Continued Use of that "Despotic & Slave-Trading Model of Government", to Exploit & En-Slave Our Common-People; & Why, here-under, We Must Focus Seriously on Returning Our Righteous-American-People to the True Source of our American Constitutional Liberties, as derived from Both Ancient Traditions of Biblical/Israelite Torah-Law, & Anglo/Saxon/Caucasian Common-Law.

These are extremely powerful issues; & Charles is quite pleased to share this section of our Conferences with Dan, who is extremely Expert in Explaining these Un-Fashionable but Deeper-Historical-Truths. Our regular discussions of Court Cases is a bit out-side of Dan's skill-set; but, as above stated, Dan is Excellent in Explaining the "Deeper Historical Conflict", between, those Traditionally-Recognizable Communities who seriously Respect "Biblical Torah-Law"; as Conflicted Against the War-Mongering Slave-Trading Ashkenazi/Pharisee "Jews"; who, both traditionally & presently, have been operating under the Slave-Trading "Roman-Empire Model" of Statutory Municipal/Civil Government.

It has been Dan's position, that, those Ashkenazi/Pharisee "Jews", are really the True "Source of the Evil" on this earth; ... where-as Charles is more inclined to believe, that, the Leaders of the "Roman-Catholic Church" are at the True "Center of Gravity" & "Source" for that same Evil. How-ever; both Dan & Charles Agree, that, Both Group-Leaders Are Seriously-Nasty Evil, & that, "They Routinely Work Together"; & that, This Results in Their Collective Ability to Control most Lodges of "Free-Masonry"; & that, All Three of these Powerful & Secretive Group-Leaders Routinely "Work-Together", to Oppress & En-Slave our Common People.

All of this causes Dan & Charles to further Agree, that, We Must Purge These Criminally-Evil Influences From Our American-National Organic Body-Politic Community.

Dan & Charles have agreed, that, After Dan makes any of his Group-Presentations; that, we regularly Set-Aside "Time-Portions" for "Open Discussion", which is focused on issues related to his presentation.
