# Clergy Response Teams.

By David J. Stewart.

The government has recruited 26,000 clergy so far to be part of their "[Clergy Response Team](#)," with letters advising pastors to use [Romans 13](#) to brainwash their congregations to obey government authorities. These letters came from [Homeland Security](#).

*Clergy Response Teams* are evil. It's just more government tyranny and control.

How stupid can Americans be? You need to read this article called [The Faith of Our Founding Fathers](#). Most pastors today have been brainwashed with Zionism, which is all by design. Truth is stranger than fiction.

America has been headed for a New World Order for centuries, as you just learned if you read about our founding fathers. Those who are ignorant of history are doomed to repeat it. America has become the land of the cowards and the home of the slaves. Ask your pastor if he is a member of the Clergy Response Team program, and leave the church immediately if he says "yes," or refuses to speak about the matter. This is Nazi, fascist, policing at it's worst . . .

I am not anti-government, God forbid. I am anti-evil and anti-corruption. Freedom is not a privilege, it is something that we must fight to keep or we'll lose it. The government is now forcing Americans to go through [Naked Body Scanners](#). This is a strip search. American and British government officials have stated that the genitals must be clear in order for the scan to be effective. What will we tolerate next?

All of the victims of the holocaust were stripped naked before they were murdered. Is this where we're headed? It would appear so. Someone recently discovered [500,000 plastic coffins](#) in Georgia, purchased by FEMA. Connect

the dots.

Any pastor or Christian leader that uses Romans 13 to teach that citizens should obey oppressive government authority is a liar. The U.S. National Guard kicked down people's front doors after hurricane Katrina, forcefully stripping them of their guns. Marshall Law is coming . . .

As Christians we are expected by God to obey our government rulers, but not when they become a terror unto us. So many of America's pastors are woefully ignorant of the truth, and would have stupidly led their congregations to board the trains to Auschwitz (i.e., to the holocaust death camps). It can get confusing at times with all the [lying propaganda](#) being circulated, but common sense tells us that what happened under Hitler, Stalin and [Mao](#) can [happen here in America](#).
