1: Starting from from the “Model Ballot Form”, in accompaniment here-with; You, as an Elector/Constituent, are lawfully authorized to Modify Your Ballot, as you see fit.

Just please try to keep it reasonably-decipherable by concerned-others, who will be reviewing it, in their own attempts to quickly & efficiently glean “your true intent & preferences” here-from.

2: Here-under; we are here-in using a “Preferential Voting” System, which is also known as “Weighted Voting”. We are here-under using a “Scale” of “One to One-Hundred”, aka: “1 – 100”. Further here-under; you will need to “Assign a Specific & Unique Number”, between 1 – 100, to Each Candidate that You List on Your Modified-Ballot.

Do Not use the same weight/ranking number for more than a single candidate.

3: Because many other Electors will be reviewing your ballot, & they will be attempting to quickly & efficiently draw reasonable-conclusions concerning your true-preferences there-from; ... here-under, we request that you “Copy & Paste” the “Full-Lines of Names & Data of Each Candidate”, in-to Higher or Lower Lines on Your Modified-Ballot, so that the Candidates where-in You have Assigned “Higher Weighted-Vote Numbers” Appear near to the Top of Your Modified-Ballot, & the Candidates whom you have Assigned “Lower Weighted-Vote Numbers”, appear closer to the Bottom of Your Modified-Ballot.

4: As you are so Modifying your Ballot to Reasonably Reflect “Your Voting Preferences”; you may Delete the Names & Lines of Candidates whom you consider to be “Of Little Importance”; & you may Add Names & Lines of Candidates whom you consider to be “Of Greater Importance”.

However; do Not List Over “One-Hundred Candidates” in Your Modified-Ballot.

5: Assign your Highest-Numbers, between 67 & 100, to the Presidential-Candidates whom you would Actively Support in Occupying the Office of our US-National Presidency.

Give other consecutively Lower Numbers of your consecutively Lesserly-Preferred Candidates.

Give Mid-Range Numbers, between 34 & 66, to Candidates which you would merely Tolerate, & Not be seriously Angry about Occupying that Office.

Give lower-numbers, between “33 - 10”, if you believe that those Candidates whom you Actively Oppose, & concerning whom you will be really Angry If Those Candidates actually Succeed in Gaining Control of the Most Powerful Public-Office of our American-Nation.

Assign even Lower-Numbers, between 10 - Zero, to Candidates whom you believe are engaged in what amounts to “Acts of War” against our American People; &, in essence, that “Probable Cause” Exists to “Warrant” their “Arrest”, for “Crimes Against the State”.
