

“Oath of Office” for the Township level Public-Office of: Constable, aka: Peace-Officer.

I, the under-signed, do here-by solemnly Affirm, before all men, & before the Supreme-Judge of the Universe; that, to the best of my ability, I sincerely do intend to Responsibly & Faithfully Perform the Duties of a “Town Constable”, for the “Township Jurisdiction” here-under specified.

I recognize that my “Duties” here, include, but are not limited to, the following:

1: I recognize that I have a Duty to exercise “Community Care-Taking Functions” & to Maintain Regular & Adequate Supervision over, Each House & other Building in our Township's Jurisdiction; along also with the Roads and other Public-Utilities, all so-as-to Insure here-in Peace, Safety, & good Order here-in; & here-under, to maintain such “Open Lines of Communication” that I may efficiently Respond to Every Issue of Any Concern which any person here-in might communicate to me.

2: I further recognize that my Duties here also include my making reasonable & good-faith efforts at conducting & presiding over regular “Town Meetings”; & in making such other reasonable efforts as are necessary in order to maintain Peace, Justice, & Harmony in our Township. I recognize that this will require that I Seek “Consensus” amongst all “Qualified Electors” in our Township, concerning “Every Issue” of “Any Concern” which any among them may communicate to me.

3: I further recognize that I have a Duty to consistently Defer to each of the Separate & Sovereign Jurisdictions of each of these Qualified-Electors; all so long as I remain reasonably convinced that All Activities Occurring on his Land are Occurring in a “Peaceful Manner”.

4: I recognize that I have a Duty to make Reasonable Efforts to Attend all Precinct level Meetings, & where-in I have the further Duty to respectfully & vigilantly Seek “Consensus” on “All Matters of Mutual Concern” among each of the Constables of the Ten separate Township Jurisdictions which comprise our Precinct. I recognize that this especially includes the Maintenance of this “Consensus” amongst our ten Township-Constables, concerning Who from among us shall occupy our Leadership position, at our next higher-level of self-governing, as our own “Justice of the Peace”, aka:“Precinct Capitan”. I also recognize that, Any One of we Ten Town-Constables have the Right & Duty to Call for a “Vote of Confidence” in our JoP Leader, At Any Time that he might feel so Justified; & he may then & there propose that our Consensus should be Shifted to Another More-Qualified JoP/Leader.

5: I recognize that, regarding any & all “Township Issues” which I am not fully capable of resolving, I have a Duty to communicate these concerns on up the chain-of-command, to our “Justice of the Peace”, so that he can exercise his larger Precinct-level jurisdictional authority, on our behalf.

6: I further Recognize that I have a Duty to our elected JoP, to promptly & vigilantly Obey all Commands & Directives that he may Order me to carry out; save only unless, in that instant, I am firmly convinced that such commands are “Un-Lawful”. In any such instances as this, I will promptly give fully adequate explanation & justification for my Refusal of his Command, before all Ten of our Town Constables, at our next Precinct level meeting, if not sooner. I recognize that my Duties here are of most serious importance in the matter of my Assisting our JoP in the Selection & of Jurors in all cases that might be brought before our Precinct-level Hundred-Court Jurisdiction.
