

American National Common-Law Court & Republic Community-Organizing Conferences:

"Agenda";

for Conference of Monday, 2024-January-22: beginning at 6:30-pm.

<https://ConstitutionalGov.us/>

<https://ConstitutionalGov.us/SupremeCourtOfLaw/ConferenceAnnouncements/>

Agenda Item 1A: Opening Prayer; & Public-Notice, that, Our Private-Community of Non-Romanized Christian/Israelites, Is Organized for Purposes of "Promoting the Public-Interest", & the General & Public Welfare of our Common North-American People.

More specifically; this is "Public Conference"; but, it is being Organized by a "Private Community", most of whom profess to be Faithful Servants of Yhvh/Jehovah, aka: Jehovah-of-Armies, & of his son, whom we consider to be the True Messiah/Christ of Israel, one: Jesus/Yeshuah.

Here-under; all parties please take note, & know this: Our Core-Group of Organizers is Pledged to the Service of: Our Lord & Saviour; Christ/Messiah Jesus/Yeshuah; & whom, we believe, in the book of Revelation, at 19:11: is accurately described as: "Faithful & True; & In Righteousness He doth Judge & Make War".

Here-under; We Welcome All "Good-Faith People", Including All Public-Servants, Civil-Servants, & Bar-Member-Attorneys; & Including also All Religious Communities; including even Members of the Very "Problematic Religious/Ideological Communities". Those are many in number; but, the three Most Seriously Problematic for our Anglo/American/Israelite People, are worthy of being briefly listed here, as: (1: the Ashkenazi/Pharisee "Jews", (who Denied the Legitimacy of the Claim to the Throne by the True Messiah/Christ of our Torah-Obedient Israelite People); & also from (2: the Very Problematic & Professed-Christian "Roman Catholic Church", (who merely Carried-On with the Same Roman-Empire Genocide & Mass-Murder Policies as Against the True Messiah/Christ of Israel & His True Followers from among the Caucasian & Northern-European Barbarian Nations); & also the (3: quite Problematic "Free-Masons"; (who are commonly known to engage in secretive initiation rituals, which clearly imply cold-blooded & un-justified murders; & whom seem to be heavily infiltrated by both of the previously mentioned problematic-groups).

Here-under; we Invite all of you to share any Good-Faith "Constructive-Criticism" about what we are doing; & We Guarantee, that, we will treat you with Respect, & we will strive to avoid embarrassing you; at least So Long As Your Acts & Words continue to Evidence, that, You Recognize Your Universal Natural-Law "Duties", to Constantly Maintain such "Minimal Standards of Behavior", as "Reasonableness", "Honor", & "Good Faith"; & that you are Devoted to the Sacred Causes of Truth, Justice, Safety, Peace, & Liberty.

This Opening Prayer is Intend to Ask This External Higher-Spiritual God-Being To Assist Us, Towards Promoting These End-Goals On This Earth. We Believes That "He Exists"; & That, If We Are Humble Before Him; That, He Will Assist Us In Our Efforts to Promote Truth & Justice On This Earth.

~~~~~  
**Agenda Item 1B:** But, please note, that, as this Bible-Based God has so declared; a "No-Subversives-Allowed" Policy Is In Effect, in All of our Conferences; & this all as has been generally discussed in US-Case-Law known as the "Bivens Decision"; & if you or any-person might cause disturbances in our conferences, for no good reason; then, you will be directed to leave the company of our assembly.

We expect this brief affirmation, discussion, & Prayer, to consume less than 2-minutes of our time. Here-under; Our Opening-Prayer Will Here Be Presented.

\*\*\*\*\*

**Agenda Item 2: Newly Opening-Announcements, & Pressing-Issues:**

Here will be announced, an Open Invitation for Any in attendance to Briefly Mention what they consider to be an Important Up-Date; or , if they have an important item requiring some more lengthy discussion, then, they may make motion here to sufficiently modify our agenda in this conference to accommodate said more lengthy discussion.

Announcement-1: Council is requested, to consider: When our Next Weekly-Set of Conferences should be Scheduled; &, if, perhaps, we should consider scheduling them again More Frequently than just in one single week per month. Our Conference Scheduling & related concerns, are all quite Flexible, hinging largely on the numbers & needs of the people in attendance with us.

I, Charles, here-under, have been using my more freed-up time & energy to more efficiently construct documents related to our strategy, & incentives, & to reach-out & more directly net-work with other activists. I feel i am making good progress in these areas.

**Agenda Item 2.1:** Up-Date on Case Involving Stewart Handte & Roger Hylligus; as explained more fully in “Agenda Item 6”, here-in below. Through cell text messaging, Stewart has informed Charles that Stewart will try to join with us this evening; but that he is very burdened with his employment/job & current developments in the case involving him & Roger.

There does seem to have been a major development in this case, in that both Stewart & Roger seem to have entered in-to a “Plea Bargain” arrangement. Stewart texted me a web-link to a news article elaborating on this development, which is available here:

<https://mynews4.com/news/local/two-men-take-a-plea-deal-in-one-mothers-kidnapping-handte-hillygus-washoe-county-nursing-home-memory-care>

\*\*\*

**Agenda Items 3:** In this Opening Section of this evening's Conference, Our Conference Community's Chief Organizer, Moderator, Chairman, & this author, "Charles Stewart", is normally scheduled to consume approximately 15-minutes, by presenting his own "Opening Presentation", or "Key-Note Presentation", as related to: his view of the Most-Pressing Issues Facing Our Responsibly Self-Governing North-American Organic Body-Politic Community.

But that discussion is here-by now being Postponed, until, “Agenda-Item 3.9”, as itemized later here-in below. The Reason for This Postponement, is because, again, in this section, we have a few New Talented People to Introduce to the Group.

**Agenda Item 3.1:** One of our new people is named “William Mohr”, from Michigan; & William is an Active Organizer with the Michigan State Militia, & he is also involved with the US Taxpayers Party of Michigan, & he heads a Michigan Affiliate of the Constitution-Party USA. William has participated in both of our conferences last month, but on Mondays he needs to leave early, again, so here Charles is moving William’s time for presentation to the start of our conference here.

William has indicated he will be more fully available to participate in our Thursday & later future conferences. A recent interview of William discussing Militia Issues, is available here:

<https://rumble.com/v40p16e-men-militia-and-michigan.html?fbclid=IwAR0xkQDSvMPt5W6ZgULyEsLcG4yOHS2h1rjqQNhIuhwZIKwkv3uFAwHmS4>

William is new to the ideas of Organizing Local Constables & other Peace-Officers, under our Common-Law & Bible Torah-Law “Exodus-18 Model of Government”; but Charles is optimistic that

William may embrace these unique & Biblical Community Organizing & Empowerment ideas.

This “Enforcement Issue”, & “Peace-Keeping Issue”, is of Monumental Importance in Saving our Common American People from the looming National-Security Threat of Hostile Military-Take-Over by Corrupted Office-Holders & Agents of the Foreign Municipal/Civil/Statutory Roman-Empire Model-of-Government. We expect to give William up to 10-minutes to introduce him-self, before he has to leave to attend his other commitment.

Here-under; Charles feels it is Important to Indulge William’s Views concerning How Best to Organize our Lawful “Executive & Peace-Officers Community”, to Defend our Common American People from that same looming National-Security Threat from the Corrupted Office-Holders & Agents of that Foreign Roman Slave-Trading Model-of-Government. William participated nicely in our last months two conferences; &, we hope that he will expand even further his own insights & desires concerning How Best to Organize our Lawful “Executive & Peace-Officers Community” here.

Since William seems to be a bit of a modest man, Charles &/or others here may presume to prompt William to speak to issues of our mutual-concern in this section of our Conference-Agenda.

**Agenda Item 3.2:** We also have a Second New Talented Man to allocate at least a brief time-slot here; & this man has also participated in our last two conferences; & his name is “Glenn Fearn”, from Texas. Glenn is a very talented Court-Room Warrior; & he regularly produces very insightful & empowering videos. Glenn is also actively involved with the “Republic of Texas” community.

Links to Glenn’s Videos & the Republic of Texas page are available here:

<https://sovereigntyinternational.wordpress.com>

<https://www.youtube.com/@sovereignliving>

<https://thetexasrepublic.com/>

We expect that Glenn will be able to provide much valuable legal/lawful strategy & insight in response to the numerous court-cases which are routinely being considered in our court’s general assembly. We expect here to give Glenn at least a few moments, to re-introduce him-self, & his agenda for promoting Justice for our common American People.

**Agenda Item 3.3:** A Third New Person whom Charles here hopes to also introduce, is one “Kathrine Dudley”, from New-Mexico. Kathrine just recently informed Charles that it is Un-Likely she will be able to attend our up-coming Monday Conference; but, she does hope to attend our Thursday Conference.

Kathrine has become entangled in a nasty local court-case, involving her private homestead property; & she has been falsely accused of “Contempt of Court”; & she is there-under facing a possible jail sentence. Kathrine has filed documents to remove the case to federal court; & is hopeful that will circumvent the ability of the local evil-empire maffioso conspirators to actually imprison her.

Here-under, & for some time now; Kathrine has been seriously studying both “Constitutional Law”, & “Court Procedures”; & she has developed her own quite talented insights in these important areas; & Charles is hopeful that Kathrine will be able to regularly contribute to the quality of the discussions shared in our conferences.

Kathrine also is a very experienced “Natural Health Therapist”; & she maintains a web-page here:

<https://katdudley.com/>

~~~~~  
Agenda Item 3.9:

After the above introductions of our new people are completed, & depending largely how much time has there-after been consumed; here-under, Charles expects here to at least briefly give his own

"Opening Presentation", or "Key-Note Presentation", as related to: his view of the Most-Pressing Issues Facing Our Responsibly Self-Governing North-American Organic Body-Politic Community.

Charles frequently does not make his final decisions about what he is actually going to speak on, until after the conference actually opens up; & this is especially true when we are trying to accommodate the needs of people who have to leave early, as is the case here. Sometimes, especially with small groups; Charles chooses to not make any presentation at all; & to just move directly in-to open discussion with those in attendance with us.

But; Charles does possess mountains of research which is already fairly well out-lined in his notes, & at his finger-tips; &, here-under; Charles is quite capable of competently speaking on a number of differing but related Spiritual-Warfare & National-Security & National Social-Justice issues.

Those notes are too lengthy to include in this email; but, they are (or soon should be) available on our web-page, & up-dated, here:

<https://ConstitutionalGov.us/SupremeCourtOfLaw/ConferenceAnnouncements/CharlesPresentationOptions.pdf>

In this evening's conference, & here-under; Charles presents the following Index of Possible Subjects for Charles to Address:

3.1: "Fraudulent Declaration of Corona-Virus Emergency" Complaint & Case, & the resulting "Militarism Social-Engineering Conspiracy"; & also the "Model Jury-Verdict" which we are promoting as our Constitutional Common-Law Remedy for that "Evil Social-Engineering Scheme"

3.2: "Exhausting the Pathway of Peace"; in confronting the people currently holding Public-Offices with-in our USA Roman-Empire Modeled Civil-Government of the USA. This section largely discusses the role of Sheriffs, Constables, JoP-Judicial-Officers; & Alternative-Economics, & Alternative Political-Governmental Social-Organizing Structures.

3.3: Confronting Subversives: While "Donald Trump" has Provided Our People with an "Alternative Model of Government"; that Is Superior to the Completely Evil "Bush/Cheney Model" of "Republican-Party USA-Government"; the Circle of Supporters of "Donald Trump", largely include, not only "Ashkenazi/Pharisee Jews", who are Mass-Murdering Multitudes of Innocent Palestinian People; but also include "Q-Annon" type "Anonymous-Military-People", who are Promoting "Military Tribunals", with "JAG-Officers" Making Life & Death Decisions, among our common American People.

Charles here does expect to at least briefly address the First Issue described immediately above, as related to our Complaint about the Fraudulent Declaration of Corona-Virus Emergency & resulting Militarism Social-Engineering Conspiracy; & the "Model Jury-Verdict" which we are promoting as our Constitutional Common-Law Remedy for that "Evil Social-Engineering Scheme". We still need two more people of good reputation to sign-on here-under; in order that our court may there-by become lawfully positioned to tap in-to the generally as-yet un-taped horse-power of the Seventh-Amendment.

Agenda Item 4: Common-Law Court "Criminal-Complaint", of: "Cindy Falco/Di-Corrado", of Florida; there-in Alleging, that, Accused Corrupted Public-Servants have Committed the Crimes of: "Assault, False-Arrest, False-Imprisonment, & Kidnapping".

Cindy's Criminal Counter-Complaint has been "Dismissed with Prejudice"; &, she is still quite peeved about how all of that evil has manifested, as against her & our common American People.

While both Glen Fearn & Charles have discussed with Cindy her possible best responses to these

recent developments; Cindy is also Seeking the Council of our Assembly, as to the Wisest Manner for her to "Most Strategically Respond" to these current developments.

Back-ground related to Cindy's case, is here:

<https://justiceforcindy.us/>

<https://palmbeachcountyjuralassembly.org/>

<https://palmbeachcountyjuralassembly.org/falco-di-corrado-cindy/>

http://palmbeachcountyjuralassembly.org/wp-content/uploads/2021/05/2021_0002Falco.pdf

Our American National Common-Law Court-of-Record Files, as related to all of Cindy's Case; & including a link to her very well-engineered Criminal-Counter-Complaint; can be found at Our Court's Web-Pages, through our Web-Links, here:

<https://ConstitutionalGov.us/sub/PoliticalSubdivisions-Local/06-GeorgiaFloridaSS/Florida/Cases/CindyFalco/>

<https://ConstitutionalGov.us/sub/PoliticalSubdivisions-Local/06-GeorgiaFloridaSS/Florida/Cases/CindyFalco/CindysCriminalCounterComplaint-FinalEdit-V4.pdf>

It is Charles Opinion, that, (as with our other case concerning "Corona-Virus Military-Police-State Conspiracy"), we need to Begin Constructing a "Model Jury Verdict" for Cindy to use in her case here; & which would contain our own "strategically-chosen wording", as designed to present all of the Points which we may reasonably expect Our Court's Twelve-Jurists to Unanimously-Agree-On.

Cindy has also been actively involved in More Honorable Factions of the Republican Party in Florida; & Cindy may here also give us some up-dates of the latest happenings there-in.

Agenda Item 5: Our generally New Conference Participant "Glenn Fearn"; will likely here share his opinions concerning the Best Strategy for Cindy, & for the other cases in our assembly which he has become aware of.

Glenn participated nicely in our last months two Conferences; & since he will likely be speaking to Cindy's Case; it should be a simple transition to here just allow Glenn to expand on his more general Ideas about How Best to Lawfully Organize Our Community" to help Defend the People of the USA from looming National-Security Threat of Hostile Military Take-Over by Foreign Roman-Empire Municipal/Civil/Statutory Slave-Traders Model-of-Government.

Glenn is a very talented Court-Room Warrior; & he regularly produces very insightful & empowering videos. Glenn is also actively involved with the "Republic of Texas" community.

Links to Glenn's Videos & the Republic of Texas page are available as linked above under Agenda-Item 3.2. We expect that Glenn will be able to provide much valuable legal/lawful strategy & insight in response to the numerous court-cases which are routinely being considered in our court's general assembly. We expect here to give Glenn up to 15-minutes, to introduce his ideas about how best to promote Justice for our common American People, & such other issues as he considers important.

~~~~~

**Agenda Item 6:** New Court-Case, from Nevada; & involving two men, "Stewart Handte", & "Roger Hillygus". Roger started this series of events; by trying to free his 90-year-old elderly & mentally-impaired mother from an abusive institutionalized health-care environment. That triggered the military-police-state health-care mercenaries prosecuting & arresting Roger.

Stewart is a past County Sheriff, in Mineral-County, Nevada; & Roger successfully persuaded

Stewart to Assist Roger in freeing his mother from the abuses she was suffering at the defacto health-care institution. Rogers mother recently died at the hands of those militarized-police-state health-care subversives. Roger him-self is presently in prison, & is suffering serious life-threatening health issues.

Stewart is being prosecuted & threatened with imprisonment, as the direct result of his efforts to secure Justice for Roger & his mother in all of this. This is all a bit of a long story; & Stewart has appeared & presented some of his story in our past conferences; & we expect Stewart here to give us another presentation & up-date regarding his case here with Roger.

Stewart is under immensely burdensome economic conditions; & he is holding a job which some-times limits his ability to join in our conferences. We have also begun composing criminal counter-complaints against the health-care tyrants & corrupted prosecuting & judicial officers who are perpetrating these abuses. Both Kathrine Hine of Ohio, & Gary Bergman of Nevada, have also been helping both Roger & Stewart with their case here. There is lots to discuss here; & I expect Stewart will give us a good up-date here. Some web-links to related news-articles are here:

<https://www.reviewjournal.com/local/local-nevada/bitter-reno-family-battle-leads-to-manhunt-arrests-1830027/>

<https://www.activistpost.com/2022/04/former-sheriff-incarcerated-for-refusing-to-shut-up-about-guardianship-abuses.html>

\*\*\*

**Agenda Item 7:** "Kathrine Hine" is an Ex-Bar-Member Attorney; &, since those days, she has Woke Up to the Criminal-Corruption involved in that Bar-Member Attorneys Association; & she has set up what she calls her "Ohio Circuit Court of Record", which is web-linked here:

<https://occr2021.com/>

<https://www.youtube.com/@wljacommonlawundergod/videos>

There-under, Kathrine is a Strong Supporter of "Common-Law Courts"; & she has been doing very helpful work with a "Three-Notice Default Process", especially involving "Family Court Cases". Kathrine has developed much of her Remedy Strategy from here Bar-Attorney back-ground in Administrative/Commercial Law; & she has some very unique & powerful insights to share, especially concerning the nature of the evil-empire conspiracy which we are up against.

Kathrine has also been very involved with the case previously-mentioned with Roger & Stewart; &, since she likely will be sharing helpful commentary in our discussion of that case; it should be a smooth transition for Kathrine to here to just segue into her brief presentation of what-ever larger concerns which she desires to present in our group conference.

Charles & Kathrine do dis-agree on a few details about how best to proceed; but that seems a difficulty which most all of us share; & we all here are Trying our Honest/Best to gracefully Find "Reasonable-Compromise" in our Mutual Efforts to Work Around those Few Dis-Agreements.

\*\*\*

**Agenda Item 8:** "Niki Hannevig", from Pennsylvania, is here scheduled to present a Brief Up-Date & Summary of the Essential-Concerns involved in her case. We also expect to focus here, on Developing Focus on the "Remedy", that, Our Court's Jury Might Award to Niki, thru a Template "Jury Verdict" Document; where-in, we expect to briefly & clearly Explain, both the Factual-History of Niki's Case; & also, the Reasons Why Each Element in Our "Jury-Verdict, in Niki's Favor, Is "In the Interests of Justice".

In the past, the true Merits of Niki's Complaint have suffered Lack of Clarity, due to the Mountains of Details which Niki usually presents to her audience. We expect here to aid Niki in

presenting the true Merits of her case in a more clearly comprehensible manner.

Briefly; Niki's case involves Land which has been in her family for generations; & the local Roman-Empire Model Municipal-Government Officers have been Scheming Evil Court-Procedures to Steal Her Family's Property.

[https://www.lpa-homes.org/LPA\\_Applications.htm](https://www.lpa-homes.org/LPA_Applications.htm)

Click the "Enter" tabs that follow, then "Prothonotary", & "General Index", then type in "HANNEVIG", and click the docket numbers to access the files.

Niki has also frequently expressed concerns about her own research & insights; at least a few of which there does seem to exist some dis-agreement between her & Charles on those specific issues. One of these seemingly dis-agreed on issues, is whether or not All "Nobility", or "Aristocracy", is a "Bad Thing", & which should be Excluded from Any Rightous & Godly Model-of-Government.

That would seem to be Niki's present view on this important & fundamental issue; &, it seems, Kathrine Hine has also expressed similar views as Niki here.

Charles respectfully dissents from, & dis-agrees with, that position & proposition.

In support of Charles position on this important issue; Charles cites the work of "Thomas Jefferson", on addressing this issue; as contained in the following three web-linked documents; here:

<https://ConstitutionalGov.us/Citations-Short/Jefferson-Quotations-NaturalAristocracy/Aristocracy-Natural-Jefferson&Adams-Summary.pdf>

<https://ConstitutionalGov.us/Citations-Short/Jefferson-Quotations-NaturalAristocracy/NaturalAristocracy-SummaryOfLetters-JeffersonInstructingAdams.pdf>

<https://ConstitutionalGov.us/Citations-Short/Jefferson-Quotations-NaturalAristocracy/Aristocracy-Natural-Hundreds&Saxons-Jefferson++.pdf>

Here-under; Charles does hope that he & Niki, (& perhaps even Kathrine, &/or others), might use at least a part of Niki's conference-agenda section & time here, to attempt to Build a Consensus, concerning, What the Truly Objective & Rightous Godly View is, on this important issue.

\*\*\*

**Agenda Item 9:** Scott Oconnell, of New York; has a case involving his elderly lady landlord; which he would like to here present to our assembly, for discussion & wise council. Scott & his elderly lady landlord have been experiencing some serious difficulties with local police, & other aggressive nanny-state social-services & protective-services agencies. Scott makes a strong case, that, these aggressive nanny-state people are abusing this elderly woman, & perhaps even attempting to place her under so much pressure as to result in her being purposefully murdered. Scott is seeking to use court litigation related technology to remedy these maliciously evil practices. We are here scheduled to discuss Scott's current up-dates to his case, & how he might best proceed.

\*\*\*

**Agenda Item 10:** The Criminal Counter-Complaint Case of "Jason Goodwill", with Habeas-Corpus elements, has previously been presented here before our Court by both David Schied & Jason Goodwill. In his recent communications with Charles; Jason said: he has finally & lawfully escaped corrupted imprisonment in Wisconsin; & there-under, he is now finally back at his modest & humble home in Michigan. Jason also said he is immersed in trying to get his new home there properly set-up to live in; &, there-under, he says, he is still having difficulties in joining in our conferences.

So; this sectional item on our agenda will likely be very short, just reviewing these few up-dates, briefly. The larger History of Jason's Case, is well presented in Two Videos, a few years old now, as

web-linked here:

"RICO Busters #17 - The Framing of Rev. Jason Goodwill (PART 1)", 48-minutes:

<https://www.youtube.com/watch?v=UQW5k-0d8UA&t=1094s>

"RICO Busters #18 - The Framing of Rev. Jason Goodwill (PART 2)": 69-minutes:

Recordings of recent conferences with Jason are available under our above-linked social-media channels. Additional web-links related Jason's case, including a new one, are here:

[https://ConstitutionalGov.us/sub/Michigan/Cases/David-Schied/2017\\_JasonGoodwillHabeasCorpus/](https://ConstitutionalGov.us/sub/Michigan/Cases/David-Schied/2017_JasonGoodwillHabeasCorpus/)

The very cutting-edge/advanced Habeas-Corpus & Criminal-Counter-Complaint, which, a number of us participated in composing, is available in a web-link there-under, here:

<https://ConstitutionalGov.us/sub/PoliticalSubdivisions-Local/08-NorthCentralSS/Wisconsin/JasonGoodwill-HabeasCorpus-Minnesota&Michigan/JasonsHabeasCorpus-&-QWCriminalCounterComplaint-Edit-V6.pdf>

Also; Charles has constructed an "Alternative-Currency Document", which has been previously discussed in our conferences, with numerous points where it can be improved being pointed-out; but which, Charles believes, can be edited, to form the basis of a Powerful Tool for Raising-Funds for Numerous Worthy-Causes, including for Jason; &, if Jason is here so inclined, we can discuss this issue again, like previously, concerning the actual merits of the strategy involved with this document, a copy of which is available, here:

<https://ConstitutionalGov.us/sub/PoliticalSubdivisions-Local/08-NorthCentralSS/Wisconsin/JasonGoodwill-HabeasCorpus-Minnesota&Michigan/1-FundRaising-AlternativeCurrency&Economics/100SOEVCredits-Jgoodwill&CFalco.pdf>

Jason Goodwill's case here is a very good opportunity for our court to demonstrate our insights from Biblical Torah-Law & Constitutional Common-Law, & how these insights can be Applied, to quickly Produce Positive-Results for Remediating Most or all modern Real-World Problems.

David, Dagmara, Susan, Cindy, Charles, & others, have all been helping with Jason's case; & these people may here also present their own up-dates related to Jason's case.

~~~

Agenda Item 11: "Rattlesnake George Ramsey", from the Austin Texas area; may here present a few of his issues of concern.

George likes to explain Evidence, that, our USA "American Revolution" was Not a "Success"; & that, our American People have Not Completely Escaped from the Forces of Tyranny & Despotism.

~~~

**Agenda Item 12:** Andrew Ouwenga of Michigan has both Private Case Concerns & Constitutional-Law Insights which he wishes to present to our Full-Court Assembly.

A web-link to some of Andrew's Case History, is here:

<https://www.courts.michigan.gov/c/courts/coa/case/342705>

\*\*\*

**Agenda Item 13:** Grant Burles, of Alberta Canada; has Court-Case Issues which he has shared with us previously, largely to gain our assistance of council with. Grant had been contributing nicely to our discussions; & he has explained complicated insights involved in his court cases.

Charles & Grant have a bit of a dis-agreement concerning whether or not our God-Given & Natural "Rights", are the Same Thing as "Privileges". Grant argues that these Are the "Same Thing", while Charles argues that they are Different. We may again discuss this issue a bit more fully here.

\*\*\*\*\*

**Agenda Item 14:** "Economic Issues" Discussion. Related document is web-linked here:

<https://ConstitutionalGov.us/SupremeCourtOfLaw/Treason-USA/5-EconomicPolicy&Incentives-ForBuilding-CommonLawCommunities-TreasonRemedySupplement-V1.2.pdf>

This document also needs to be updated. It is not yet even in a completed form. Our Leaders can Pay Peace-Officers, & Their Deputies, with "Alternative Currency", which Our Leadership Produces, all as is authorized under the "Uniform Commercial Code".

<https://ConstitutionalGov.us/sub/PoliticalSubdivisions-Local/08-NorthCentralSS/Wisconsin/JasonGoodwill-HabeasCorpus-Minnesota&Michigan/1-FundRaising-AlternativeCurrency&Economics/100SOEVCredits-JGoodwill&CFalco.pdf>

Related to this important study, is the terms "Tithing Men", "Alternative Economic Systems", including "Alternative Currencies, & " Alternative Banking". All of these dynamics, Must be Filtered, Coming & Going, Through our Local "Captains of Tens", aka: our "Tithing Men", our Church Deacons, & our "Town Constables".

<https://ConstitutionalGov.us/Organizing-Townships&Precincts/OathOfOfficeForms/OathOfOffice2-TownConstable-V5.pdf>

Here-under; We Are Moving Towards "De-Centralizing" Both "Economic Power", & Governmental "Law-Enforcement Power".

~~~

Agenda Item 15: "Enforcement Issues" Discussion. Related documents have previously been web-linked under other agenda items; but, they are again here-in web-linked as follows:

<https://ConstitutionalGov.us/SupremeCourtOfLaw/Treason-USA/3-TreasonRemedy-BuildingSelfGoverningCommonlawCommunities-V4.pdf>

<https://ConstitutionalGov.us/SupremeCourtOfLaw/Treason-USA/4-TreasonRemedy-Building-Communities-Citations-V1.3.pdf>

Inherently inter-twined in all of these concerns, is our concern for Motivating & Organizing America's "Militia & Gun-Rights Activists", as Common-Law Jurisdiction "Peace Officers", aka as "Town Constables"; largely in order that Our Local People's Courts will have "Enforcement Powers" for "Enforcing Our Court's Judgements".

The US-Census Bureau recognizes approximately 300,000 Precincts all across our USA (including 'Precinct-Like Polling-Stations'); & because Each of those Precincts has the Inherent & Traditional Common-Law Right to Organize One-Hundred Able-Bodied & Conscience-Bound Men, under Their Own "Hundred Courts"; here-under, this all means we have the Lawful Right to Organize about 30,000,000 Armed & Able-Bodied Men, & their less physically fit & older supporters; to Enforce

the Judicial Orders & Warrants which Our Local Community Juries Unanimously Affirm to be Justified & Warranted.

These are our Grass-Roots Level Community-Organizing Protocols, as Mandated under Biblical Torah-Law, & Anglo/American Constitutional Common-Law.

"Key Terms" here, are: "Sheriff", "Posse-Comitatus", "Posse-Comitatus Act", "Militia Organizing", "Gun Rights Activists", "Citizens Arrest", "Keeping the Peace", & "Local Self-Governing".

~~~

**Agenda Item 16:** Request & Call for "Other Cases" to be Filed in Our Court's Record; such as:

X.1: JFK Assassination; Inside Complicity In Murder by Evil President Johnson, FBI-Chief Hoover, & Other Corrupted Feds. Many "Government Records" of What Really Happened here, are Being "Kept Secret", & All of Those Records Need to Be Released Publicly & Immediately; & our Court should consider ordering precisely that.

X.2: Treasonous-Conspirator Federal-Government Public-Servants Engineered & Actively Completed the Murder of Many Good Federal-Government Public-Servants during the "Oklahoma City Bombing" event.

X.3: January-6 Protesters Case, Alleging False-Imprisonment & Felony Kidnapping. Habeas-Corpus desperately Needs to be brought, on behalf of these Courageous & Patriotic People.

X.4: Ukraine War Case; Alleging Lack of Justification or Warrant for Support of that War.

X.5: Federal-Reserve Banking Corporation Case; Alleging Criminally-Syndicated Massive Theft Conspiracy.

X.6: Michigan Governor Kidnapping Case; Alleging FBI & Subversive Locals Malicious Frame-Up of Patriots.

X.7: Boogaloo Bois; Alleging Malicious Murder of Duncan Lemp, & False Imprisonment of others.
