---

Comes now, the People's Constitutional "State of Washington", by and through it's Natural/Organic Body-Politic Component-Member "Maria Janet: Moffit [Shoemaker]"; all of whom do here-by invoke the Constitutional Authority of this "Superior Court" of "Kitsap County, Washington", in its Constitutional/DeJure "At-Law" Capacity.

### **Notice of Intent to Claim on Bond:**

All Parties take Notice of Intent by the above named Accuser/Plaintiffs to file and prosecute a Claim against the Bond which each of the above named Accused/Defendants who are acting as Public Servants are Required by Law to carry in order that such members of the Public as we Accuser/Plaintiffs may be quickly Economically Compensated for Abuses of Public Offices; such as are Sworn or Affirmed to have taken place here-in. Take Further Notice that the Contracted Terms of your Public-Servant Bond Contract probably Requires that you Notify in writing your Bonding Company at Any Time when you have been Notified of Any Pending Claim Against Your Bond. Do That Now ! Notify Your Bonding Company that this Claim is being Prosecuted against Your Bond !

### **U.C.C. Commercial Debt Claims:**

All Parties Take Further Notice that; due to the Epidemic of Corruption in the Civil Courts of this County & State; & the multitudes of Obstructions to Justice that are Routinely thrown in the path of Honorable Victims of Crime as they seek this Justice in the Courts of this County & State; here-under the less prejudicial and more quick and efficient Summary Commercial Process is being pursued in parallel to this Criminal Complaint. This is indicated and assisted by the “U.C.C. Tracer Flag” in the upper-right corner of the front page of this document. All Accused/Defendants named here-in, whether Artificial-Person Corporations, or Natural-Person Individuals; Respond by Denying with particularity of details to each and every Count of Criminal Wrong-Doing Alleged against you in this Criminal Complaint Document, all with-in 30 days from the date of the receipt of this Complaint; or the Economic Sanctions sought here-in and authorized through general U.C.C. Process, may be brought against you into a state of perfection, as a Commercial “Lien” or other form of publicly recognizable Commercial Indebtedness. This may drive you into bankruptcy; or cause other economic hardships on you. Do Not Ignore this Complaint by merely relying on the ability of Criminal Racketeering Co-Conspirators in the Corrupted Civil Judiciary to Obstruct Justice so-as-to protect you from Accountability for the Crimes alleged against you here-in.

### **Quiet-Title and Ejectment Complaints:**

For the reasons more fully described below and here-in, of the Lawless “Ejectment” from her land and home of many years of “Maria Janet: Moffit [Shoemaker]” (here-in-after frequently

referred to as “Ms Moffit”); here-under, Ms Moffit should be escorted to the return and habitation of her home, by some honorable member of the Kitsap County Sheriff’s Department; even if new personnel has to be hired. Ms Moffit should also be given a Written Judgement and Order, which is signed by any honorable judge which might be found to preside in Kitsap County Superior Court, even if a new one has to be hired. This written document should clearly and unequivocally Declare that Ms Moffit is the Lawful Owner of this Property; & that she is Not to be proceeded against with force again by any members of that Sheriff’s Department; at least not unless the very remote occurrence happens that some natural-person swears out a criminal complaint which clearly establishes “probable cause” for an honorable judge to “form the belief” that Ms Moffit has committed a constitutionally-recognizable “Crime”.

Since the lawless Ejectment of Ms Moffit from her home, that home has become Vacant. There-under, Ms Moffit is Terrorized by the thought that, if she attempts to take-back her now vacant home; that the Criminal Co-Conspirators in the Sheriff’s Department may again move against her to Lawlessly Eject her from her home. And so, this home is presently sitting Vacant; all to serve nothing more than the constitutionally-repugnant interests of the here-in accused and obscenely wealthy and powerful lending-institution defendants which are commonly known as “Conseco” and “Green Tree” Finance Servicing Corporations.

Because “Law” with-in our ancient Constitutional system of government requires a party to be in possession of landed property, before any form of action can be maintained for the deciding of the lawful possession of it. Here-under; Ms Moffit is at an extreme disadvantage. Constitutional “Law” authorizes Ms Moffit to move to take possession of this home and land, or any other house and/or land which is similarly vacant. This is known in Property-Law as “Adverse Possession” & “Squatters Rights”. But as above stated, Ms Moffit has been Terrorized by the here-in accused Criminal-Syndicate Racketeering Organizations from acting to lawfully take possession of her home in this manner. And of course, these lending institutions have no practical physical interest in such a home. It is only used by them as collateral on their books for their alleged debts.

To summarize, Ms Moffit is not technically able to “state a claim” in “Ejectment”, because there is no physical person occupying the home who are there-by in need of being physically ejected from their possession of it; so that Ms Moffit can physically re-enter into the house. But also, Ms Moffit is also technically obstructed from proceeding with a “Quiet Title” complaint, because she is not in the physical possession of her home, as the “Quiet Title” Law

so technically requires, in order to prevent frivolous law suits arguing over property which is not even possessed by anyone. But again; Ms Moffit has been Terrorized from taking the physical possession of it, by the Corrupted Criminal Co-Conspirators in the Sheriff's Department; the Corrupted Kistap County Superior Court Judge xxxxxx; & the Lending Institutions .

Yet because “ The Law Provides a Remedy for Every Wrong” (common-law maxim); and here-under, both of these actions of “Quiet Title” and “Ejectment” are collectively designed to enable the settlement of every conceivable claim to title or possession of property; both of these action are alleged “in the alternative” as modernly “Liberalized” Court Rules so authorize. Here-under, it is left to the discretion to any honorable trial judge which might be found to preside over this case in Complaint in Kitsap County Superior Court. We do not really care what name is given to this action; we only care that the Fundamental Principles of American Constitutional Property Law are followed.

#### **General Concerns for Proceeding “Lawfully”:**

If any parties what-so-ever have any arguments that Any Part of this Criminal Complaint is Not proceeding in an entirely “Lawful” manner; as recognized by “Constitutional Law” with-in this State and Nation; then set those arguments forth clearly in your responsive documents. Neither the Accuser/Plaintiff, nor any of his/her many associates and supporters seek any remedies which are not clearly recognizable by honorably concerned people, as being entirely “Lawful”. But it has become common knowledge that the corrupted civil judiciary is routinely running interference for powerful Criminal-Syndicate/Racketeering Organizations, and the common People of this State and Nation need to be accessing the more powerful tools set forth here-in, in order to counter this seriously un-level playing field.

We are available at all reasonable times, especially through email; to discuss in reasonable manners; the merits of all issues of fact or law as set forth here-in. We are all honorable American patriots, and we seek nothing more than the fundamental principles of truth justice, safety, peace, and liberty; as set forth in our original state and national founding documents. If any accused/plaintiffs, or others of public justice concerns; have Any good-faith arguments that we are proceeding in any manners contrary to these very patriotically-idealistic goals, then we respectfully Demand that such people set those arguments before us here & now. We will immediately with-draw any and all complaints, arguments, or procedures which are reasonably shown to us to be in any way antagonistic towards the here-in named higher end

goals of our state and national systems of honorable government.

**Situational/Facts of Main Quo-Warranto Criminal Complaint:**

On the date of xxxxxxxx; Maria Janet: Moffit [Shoemaker]; did go through the motions of incurring a debt on her land and home, which home is located on the land of this Constitutional County and State at the geographical location commonly known as “5348 Country Club Road South East, in Port Orchard, Washington [98367]”. This alleged debt was incurred towards the financial institution known as: qqqqqqqqqqqqqqqq.

At a later date of approximately, zzzzzzz; Ms Moffit was studying American and Washington State Constitutional Law, as well as the common practices of larger institutionalized financial landers; & there-in she discovered that the loan which she thought that she had incurred, was quite probably Lawless loan/debt, essentially “Null & Void”; because of “Usury”, “Unjust Enrichment”, “Fraud”, and other Crimes on the part of the lenders.

During the time-periods of approximately wwwwww through tttttttt; Ms Moffit attempted in good faith to communicate about these apparently lawless lending practices, and the apparently null and void debt/contract which she previously thought that she had entered into. Ms Moffit here-by diligently attempted to discover if there were any legitimate good-faith debts which she should honorably consider herself liable to this lending company &/or its individual members &/or officers for. Examples of these communications are more fully described as follows:

xxxxxxxxxx, zzzzzzzzzzzz, qqqqqqqqqq.

The Sum Total of All of the Communications which came forth from the Officers of this lending institution to Ms Moffit, are described as follows:

xxxxxxxxxx, zzzzzzzzzzzz, qqqqqqqqqq.

This is clearly very inadequate response to these very serious concerns.

Ms Moffit had learned that, when apparently entrenched criminal conspirators such as this attempt to abuse the rights of the People; that our American and Washington State system of Constitutional Law allows for the pursuit by aggrieved parties of Remedies through Private Administrative/Commercial process, as well as through “Common-Law Courts”. Ms Moffit pursued and perfected these remedies, more fully described as follows:

xxxxxxxxxx, zzzzzzzzzzzz, qqqqqqqqqq.

On the date of approximately ssssssssss; Ms Moffit discovered that these then obviously

Corrupted Lenders were attempting to find corrupted co-conspiratorial acting judicial and executive drones in Kitsap County, to Disregard all of the constitutionally lawful work which she had so honorably completed in her good-faith efforts to honorably settle this controversy. There-under these Corrupted Lenders were conspiring to Mis-Use the Force of the State & County, so-as-to Administer Force against her in an Out-Law Manner, all so-as-to Violently Evict her from her home of many years; & there-by to steal her home and land from her.

Ms Moffit knew from her studies of Constitutional Law, that Constitutionally-Lawless “Malum Prohibitum” based codes, rules, and regulations; were all routinely being enforced against sovereign Americans in an un-lawful manner, especially at the local level.

Through her studies, Ms Moffit and others had come to believe that there was Remedy to be found in the Federal District Courts. Here-under; Ms Moffit sought remedy therein; on the approximate date of qqqqqqq; & under the circumstances more fully described as zzzzzzzzzzzz. In this Federal Court proceeding, certain individuals named as follows, acted to commit Felony Crimes against Ms Moffit. Here-by; the Rights of the People of these Bodies Politic of Kitsap County, Washington State, and these united States of America; have also been Criminally Violated. This is True because the Rights of their Vital Component Body-Politic Member, one: “Maria Janet: Moffit [Shoemaker]’s” Rights have been Violated. Under this Organic True form of “Constitutional Law”; a Crime Against One is a Crime Against All. This is Why the Constitutional State was Formed. This is the Entire Basis for the Preservation of “State-Ex Rel” (Quo-Warranto) Actions at Law in our Constitutional System of Government. This is all more fully explained in the accompanying “Memorandum in Support of Quo-Warranto ...”; and these Plaintiff Accusers are available to explain these matters further at any reasonable time and place.

### **Federal Court Developments:**

Within the 72 hours required by law, Maria Janet; Moffit, returned Robert J. Bryan’s charging document “ Refused for Cause Without Dishonor and Without Recourse”, See Annexed (copy envelope) Example “B”.

Later a “Particular File” in the Federal District Courts which seems to our Constitutional Law Researchers to have been specifically designed to graciously provided a Safe Haven for honorable Americans to Escape these Routine and Habitually Oppressively-Despotic Practices at the State and Local Levels of Malum-Prohibitum based municipal government. Ms Moffit

quickly filed a “Removal” to this “Particular File” in the Federal District Court in Tacoma. Ms Moffit’s Filing was Accepted by the Clerk of the Federal District Court. An order came down from that Court under which it seemed to Ms Moffit and her Constitutionalist associates, that the entire merits of the complaint against her in the Kitsap County Superior Court had been reviewed by the judge or judges there-in; had been quickly and efficiently recognized to be just another case of despotic malum-prohibitum based Orwellian constitutionally-lawless and tyrannical despotism, as is so obvious to many common Americans; and there-by the entire merits of the complaint against her in the “Kitsap County Superior Court” were quickly, efficiently, and justly “Dismissed”, as being of no consequence, null and void.

The Violations of the Rights of the People of this County, of the State of Washington, and of these united States of America; by and through the similar Violations of the Rights of Ms Moffit, are, in part, recognizable under, but not dependant on: RCW 9.12.010, Barratry; 9 A 8.05.160. These Crimes are all more particularly described as follows:

#### **Summary of Individual Criminals & Specific Crimes:**

These Felony Crimes include official misconduct by; instituting suit in name of another, impairing the right to contract, filing false claims, barratry, treason, lying, fraud, mail fraud, attempting to steal property, extortion, obstruction of justice, intimidating a witness/victim, violating his “Oath of Office” of impartially, retaliating against a witness/victim against Maria Janet: Moffit [Shoemaker].

#### **Conseco & Green Tree Finance Servicing Corporations**

These Fictional Corporate Financing Corporations are engaged in Criminally Fraudulent Lending Practices; for the express purpose of un-conscionably pillaging and plundering the common people of Kitsap County, the State of Washington, & these united States of America. They have hired what amounts to Moral-Prostitutes, to argue their claims before the good courts of this County, State, and Nation; & they have bribed and intimidated what amounts to “Mercenaries”, who are fraudulently acting as “peace officers” and “law enforcement officers” to lawlessly Kidnap and Assault Ms Moffit and countless other similar victims of their abuses. These Financing Corporations are engaged on a “Pattern of Behavior” here-in, which identifies precisely with that out-lined in the “Racketeering” Statutes of this State and Nation.

By their money-grubbing Complaint against Ms Moffit, as filed by them in “Kitsap County Superior Court”; these Criminally Conspiratorial Lenders did seek the Lawless Eviction of Ms Moffit from her home of many years. (More, editing needed)

**Robert J. Bryan:**

Robert J. Bryan, presently holds the Public Office of: United States Federal District Court Judge. On the date of approximately; xxxxxxxxx; Robert J. Bryan knowingly and willfully engaged in the Crime of “Official Misconduct” by Knowingly & Willfully Ruling from the Bench of this Court in Support of the here-in referenced Lawless Racketeering & Kidnapping Schemes; more particularly described as follows:

Through his corrupted and lawlessly conspiratorial judgements against Maria Janet: Moffit [Shoemaker]; Robert J. Bryan has intentionally filled false documents, under the color of law, against her. Here-by; Mr Bryan did knowingly, willfully, and intentionally, assist in the furtherance of the Class A Felony Kidnaping and Assault of Ms Moffit; as well as in the Racketeering scheme complained of here-in generally. Mr Bryan also impaired Maria Janet: Moffit [Shoemaker]’s right to contract. The previous suit in Federal District Court had been brought in the name of “Maria Janet: Moffit [Shoemaker]”. Acting Judge Robert J. Bryan knowingly and maliciously changed the record to attach a name and address to Ms Moffit which denotes a Slave status for Ms Moffit. Acting Judge Robert J. Bryan also changed the case as it appeared on the Court’s Record, from a lawful proceeding in an Article III Federal Court, to an Article I Federal Administrative Tribunal; and there-by maliciously attempting to change Ms Moffit’s Status to being a legal-disabled “Subject” under a Constitutionally-Lawless “UNITED STATES TRUST” organization.

Robert J. Bryan attempted (did?) Sanction Maria Janet: Moffit [Shoemaker] without a declaration under proper certification of any investigation by anyone into the four corners of the contract document at issue. Mr Bryan did Not even look to see if any “Consideration” was tendered by Racketeering Conspirator CONSECO FINANCIAL SERVICING CORPORATION as AGENT FOR GREEN TREE FINANCIAL SERVICING CORPORATION.

Mr Bryan Threatened to (actually did?) make legal determinations whole there was No Equitable Accounting on the Court’s Record, and he Threatened to Dismiss Ms Moffit’s claim, with-out any Audit of the Equities on the Record of the Court.

Each and al of these here-by Sworn Allegations are Evidence of “Intent” by Robert J.

in generally. Mr Burgess also impaired Maria Janet: Moffit [Shoemaker]'s right to contract.

Frank Burgess is “Obstructing Justice” against this State, Nation, and Ms Moffit; by not allowing constitutionally-recognizable “Due Process of Law” or a “Fair Trial” to be obtained.

(More???)

**Craig L. Jones:**

Craig L. Jones, presently is in the receipt of a Corporate Franchise/License to “Practice Law” as a “Licensed Attorney” and “Officer of the Court”; all through which he has solemnly pledged to assist in the “Administration of Justice” in any court in which he may appear.

Mr Jones has rather “Obstructed Justice”, than assist in its administration; because, on the date of approximately; xxxxxxxxx; he did knowingly and willfully dis-regard the Constitutionally Secured Rights of Ms Moffit and the People who compose this County, State, and Nation; by moving this court without Plenipotentiary Powers or Testamentary Documents of enforcement or authority on the Record. Here-in, he did knowingly and wilfully engage in the Crime of “Official Misconduct” by Testifying Falsely against the Claimant, through his actions more particularly described as follows:

Craig L. Jones did knowingly, willfully, and intentionally; file false documents, and make false accusations, all under the “color of law”, against Maria Janet: Moffit [Shoemaker]. Here-by, he did impair Maria Janet: Moffit [Shoemaker]’s right to contract; and he conspired to facilitate the Class A Felony Kidnaping and Assault of Ms Moffit; & to further the general Racketeering Conspiracy generally complained of here-in.

Craig L. Jones has born “False Witness” against Maria Janet: Moffit [Shoemaker]; in the following instance: (give specifics) .

WWWWWWWWWWWWWWWWWWWWWWWWWWWWWWWW

**Lawrence A. Costich:**

Lawrence A. Costich, presently is in the receipt of a Corporate Franchise/License to “Practice Law” as a “Licensed Attorney” and “Officer of the Court”; all through which he has solemnly pledged to assist in the “Administration of Justice” in any court in which he may appear. Mr Costich has rather “Obstructed Justice”, than assist in its administration; because, on the date of approximately; xxxxxxxxxx; he did knowingly and willfully dis-regard the Constitutionally Secured Rights of Ms Moffit and the People who compose this County, State,

and Nation; by moving this court without Plenipotentiary Powers or Testamentary Documents of enforcement or authority on the Record. Here-in, he did knowingly and wilfully engage in the Crime of “Official Misconduct” by Testifying Falsely against the Claimant, through his actions more particularly described as follows:

Lawrence A. Costich; did knowingly, willfully, and intentionally; file false documents, and make false accusations, all under the “color of law”, against Maria Janet: Moffit [Shoemaker]. Here-by, he did impair Maria Janet: Moffit [Shoemaker]’s right to contract; and he conspired to facilitate the Class A Felony Kidnaping and Assault of Ms Moffit; & to further the general Racketeering Conspiracy generally complained of here-in.

Lawrence A. Costich has born “False Witness” against Maria Janet: Moffit [Shoemaker]; in the following instance: (give specifics)

qq

**M. Karlynn Haberly:**

Kitsap County Superior Court Judge M. Karlynn Haberly; Violated the Rights of the People of this State and County, when she violated the Rights of Ms Moffit; by allowing the false charges to be summarily affirmed by the here-in named defendants, against Plaintiff Moffit; and all without “best evidence proof” on the Record of any “Certificate of Foreclosure”; as issued by Sam Reed, Secretary of the State of Washington.

**Steve Boyer, & numerous associates:**

Steve Boyer is the acting Sheriff of Kitasp County. Mr Boyer acted out-side of “Law” to Feloniously Kidnap and Assault Maria Janet: Moffit [Shoemaker]; when he Evicted her from her home in the same cold-blooded and robotic manner as the Nazis who were tried for similar Crimes against “Higher Law” at the Nuremberg Trials. Mr Boyer seems inclined to believe that anything which the people in power say is “Law”, actually Is “Law” . Mr Boyer seems to be entirely devoid of functional “Conscience”, & there-by of any “Reasoning” capabilities concerned with the administration of constitutionally-recognizable “Justice”.

And even though Mr Boyer apparently did not directly or physically participate in the Assault and Kidnapping of Ms Moffit; those other numerous Nuremberg Criminal Conspirators acting as “Deputy Sheriff’s” did so; and they did that under the full knowledge and approval of their direct superior, Mr Boyer.

This is a “Pattern of Behavior” which us emanating from the Office of the Kitsap County Sheriff, as it is administered under the guidance and direction of Steven Boyer. Numerous other residents of Kitsap County, are suffering similarly egregious abuses under the coldly despotic hand of Mr Boyer. Ms Moffit is not the only member of this organic county body-politic to suffer such abuses as this.

As the Direct Result of these Crimes; Mr Boyer is Not the Lawful “Sheriff” of Kitsap County. “Class A Felony Criminals” are Not Lawfully Recognizable as being entitled to hold any such trusted office as this. And that “Vacancy in Office” Dates from the Moment in which Mr Boyer began acting in a Lawless and Criminal Manner; and Not when it is finally so recognized by a court of competent jurisdiction.

Here-under, and as a “Matter of Law”; the Office of the “Kitsap County Sheriff” is presently “Vacant”. Ms Moffit is doing a “Public Service”, by proceeding “in the Name of, and ont eh behalf of” the County and of the State, through her component-member status in these county and state bodies-politic. And because Ms Moffit seems to be the only person in the county who comprehends how “Law” works in these very desperate instances, and because this is the very nature of the “State-Ex-Rel/Quo-Warranto” Process; Ms Moffit should be declared by this Court to be the New Sheriff of Kitsap County. Through this complaint, Ms Moffit is motioning and demanding this Court for precisely form of a declaration.

For his knowing and willful participation in these Terrorizing and Felonious Crimes; Ms Moffit and the other Ex-Rel Plaintiff/Accusers in this case, respectfully petition the Members of the Jury who are to try this matter, to sentence Mr Boyer to 60 years in prison; and to fine him \$1,000,000.00. The 60 years in prison, seem to us to be less time than that which is statutorily authorized, when each and all of the separate counts of which Mr Boyer has directly or indirectly participated in this case, are all added up. The \$1,000,000.00 will surely drive Mr Boyer into total bankruptcy, which is just and fair for the crimes which he has committed. We currently comprehend that all monies due under this fine, and which are not obtained through the liquidation of Mr Boyer’s estate, should just be given as credit/debt instruments to pay of debts under applicable commercial-law, and to there-by engage in a bit of hyper-inflation for the advantage of the People of Kitsap County , all so-as-to compensate them and Ms Moffit for the suffering and oppression which they have suffered under the nazi-style of governing of Mr Boyer and his gand of out-law/corrupted deputy sheriffs.

These Ex-Rel Accuser/Plaintiffs similarly ask the Jury which is to try the entirety of this

case, to similarly sentence each of these out-law corrupted acting “Deputy Sheriffs” who actually participated in the specific Felony Crimes of the Kidnaping and Assault of Ms Moffit in their Lawless Eviction of her from her home of many years; to similarly sentence them each to 60 years in prison, and to fine each of them \$1,000,000.00. Again, all monies not collected from the liquidation of each of these Nuremberg Criminal Conspirators estates, should be given as credit-debt instruments to the County Treasury, & or to compensate Ms Moffit for her suffering and public service in cleansing these criminally-syndicated social-parasites from this county’s organic body-politic.

Remember please that the similarly evil Nuremberg Criminals were Executed. These Accuser /Plaintiffs may agree to ask the Jury to impose significantly lesser sentences; if any of the above named criminal co-conspirators turn “States Evidence”.

These are all component-parts of the Conspiracy to effect the Larger Crimes of Treason and Racketeering against this County, State, and Nation; and against the common People who compose these organic bodies-politic.
