
*** **Deeper History: Brief Summary** ***
(Version-2; Up-Dated 2021-March)

This author, Charles Stewart, has come to know, that, the largest part of this Battle against the Evils which we are confronting, is “Spiritual”; & that, & since many ancient centuries ago, the People on the Good Side of this Battle have been Confronting a Singular & Historically-Continuous & ‘Parasitical Organic Body-Politic Community’, which gains it’s power through “Aggressive Militarism” & “Slave Trading”, & which treats all of the people subject to it’s jurisdiction as either their ‘Preferred & Privileged Class of Slaves”, or their more abused form of ‘Working Class Slaves’. I have further come to know, that, the Subjects of the Roman Empire were governed in This Precise Manner; & where-under ‘Slave-Trading Codes’ were used to manipulate both the “Middle Class” & the “Working Class” Slaves. For the last 2,000 years or so, that same ‘Parasite Class’ has historically been Centered in Rome, Italy; & it has Historically, Consistently, & Relentlessly, been Seeking to Deceive, Infiltrate, & Subvert, our Common-Law Compliant Protestant Christian & gNostic Barbarian Communities & Traditions.

Here-under; their entire System of Government & Codes for Regulating Social Behavior is both historically & lawfully recognizable under the word “Municipal”. These “Municipal Codes” give “Color of Legitimacy” for Corrupted Judicial-Officers & Executive-Officers to Enforce those Fundamentally Un-Constitutional & Evil/Parasitical “Slave-Trading Codes”. Further here-under; that Word “Municipal” had Developed a Bad-Reputation among these more ancient ‘Common-Law Compliant Communities’; all of which has prompted those same Evil/Parasitical Conspirators to Deceptively Develop a ‘New Word’ to describe the Same Roman-Empire Slave-Traders Body-of-Law, which they now refer to as “Civil”.

In bold-faced & direct Contrast there-with; many of the texts & web-links presented else-where here-in, argue, that, the “More-Perfected Israelite-Republic Model-of-Government”, has actually Produced such ‘Ideal Social-Conditions’, that, it’s Essential Provisions have been wisely Preserved by the Framers of our modern ‘U.S. Constitution’ document, most specifically under what is described in the Seventh Amendment as the “Rules of the Common-Law”.

In support of these bold propositions; a very respectable body of supportive Historically-Verifiable & Legend-based ‘Evidence’ has been Preserved. Yet, because there does exist so Many ‘Differing Interpretations’ of the History of the Israelite People, (especially as presented in the compilation of ancient texts known as “The Bible”); & because many important & More Easily Verifiable Details of this ‘Spiritual Conflict’ can be gleaned from the ‘More Current History’ & Legends; here-under, it becomes quite Important for serious students of ‘The Supreme Natural Laws of Truth, Justice, & Peace’, to Comprehend, that specific portion of the ‘History of the Common-Law’, which has been Purposefully Obscured from us, & which is known modernly as the ‘Norman Conquest of England’, as it occurred in 1066-ad.

Through This Specific Historical-Study; Open-Minded & Truth-Seeking Patriots can see Historically Verifiable Examples of this Common-Law Tradition, as a ‘Natural/Organic Social-Organizing Process’, which Was firmly In Existence & Running among the common People of England, well Prior To when the Roman-Empire Municipal/Civil Model-of-Government Invaded & Conquered & En-Slaved them, at the ‘Norman Conquest’ of England in 1066-ad.

A few very brief citations in support of this un-fashionable proposition, are presented in the following web-links:

This Ancient System of ‘Local Community Organizing’ & ‘Local Self-Governing’, is How Modern American Countys are Suppose to “Responsibly Self-Govern”, as shown in the web-links here:

<https://ConstitutionalGov.us/Citations-Short/OregonLawCitations/County-American-BasedOnAngloSaxonsEngland-NormanConquest-OrBluBk.pdf>

This Ancient System of ‘Local Community Organizing’ & ‘Local Self-Governing’, is also based on the Torah-Laws of ancient Israel & the Bible, as described in Exodus-18, 19 - 26; & William Blackstone clearly declared precisely this, as shown in the document presented here:

<https://ConstitutionalGov.us/Citations-Short/Blackstone/Blackstone101.2-JewishRepublicOfMoses-Exodus18-RulersOfTens-MenHatingCovetousness.pdf>

All of this is Codified & Protected in our modern ‘US Constitution’ document, under the Sixth & Seventh Amendments there-to; the later of which specifically enshrines the ‘Rules of the Common Law’. Here-under; we will be presenting clear descriptions of how & why this Very Significant “Empowerment” is Constitutionally Prioritized & Protected, for & in approximately ‘Three Million Township Communities’, all across our USA.

Further here-under, we expect that all open-minded patriots in our conferences will quickly & efficiently gain very Empowering Insights about How to Non-Violently Confront Criminally-Lawless-Usurpers from the Roman-Empire Municipal/Civil Model of Government; & this all in entirely Lawful & Safe manners. Here-under; modern Good People have Duties to ‘Objectively Study’ the “History” of this ‘Centuries Long Spiritual Battle’, if we are gong to develop Effective Strategy to Separate ourselves form this ancient but modernly Powerful Parasite-Class.

This ‘True History’ Shows, that, there has been ‘Historical Conflict’, between the ‘Israelite Republic’ Model of Government, & the ‘Roman Empire’ Model of Government. Under this more fully-informed, objective, & ‘Larger Historical Context’; we do propose that our modern righteous American People may gain Sufficient ‘Spiritual Insights’ & ‘Courage’, in order that we may Realistically Expect to Win this “Spiritual Battle” against the modernly extremely Powerful Forces of Evil on this Earth.
