I have reviewed the Corona virus complaint thoroughly  
I am on board with it  
and I agree with what is stated therein  
and I accept bringing forth that complaint  
and will be signing it at the 1st technical possibility

Abe & Lewis;

I have finally Completed the basic Complaint  
concerning the Corona-Virus Hysteria that is destroying our nation;  
& i have also made a few minor changes in the Jury-Verdict document that i had finished,  
mostly in the wording in the right column on the front page.

Both of these documents are attached here-to.

Please review them both at your earliest convenience:  
& let me know if you see any changes that we should make in either of them.

I am anxious to begin distributing these to our wider audience.
