(Rough-Draft; Version-2. Twelve Volunteer Pro-Tem Super-State
Constituent Jurists Need to Affirm Consent to
Their Names & Contact-Info being Listed here-in.)

This USA-National Supreme Court-of-Law has been Formed & Organized under the Natural & Organic Constitutional Authority of our Common American People to Establish Our Own ‘Responsibly Self-Governing Communities’, as explained in more detail, in the first 15-page document, & the second related 16-page document, as web-linked, here:

<https://ConstitutionalGov.us/SupremeCourtOfLaw/Treason-USA/3-TreasonRemedy-BuildingSelfGoverningCommonlawCommunities-V4.pdf>

<https://ConstitutionalGov.us/SupremeCourtOfLaw/Treason-USA/4-TreasonRemedy-Building-Communities-Citations-V1.3.pdf>

This Complaint, has been brought before this USA-National Supreme Court-of-Law, through the Complaint, & up-on the Motion, of, one: ‘Abraham Duran’; who maintains his Qualified-Elector Status in the Republican State of New Mexico, at a specific location to be detailed at a later time; & who’s further contact information is presented at the end of this document.

In his pursuit of the Lawful Adjudication of his Complaint concerning the manner in which our USA Municipal/Civil-Federal-Government has ‘Responded’ to their Declarations of Nation-Wide ‘Medical-Emergency’; Abraham Duran has here-by made Motion before this Court, to assemble this Organic Body-Politic Common People’s Jury, in Order that actual Due-Process-of-Law based “Justice”, can finally be brought to bear, as a More Well-Reasoned Response to the Mass Hysteria which has obviously resulted from the Incompetence &/or Corruption of the Leadership of our American Nation’s Roman-Empire Modeled Municipal/Civil Government.

Our Twelve Supreme-Court Jurists have here-under formed our Unanimous Judgement, that, the issues being raised through this Complaint of Abraham Duran are of a very Highly Prioritized “Public Interest”; & that, so far as is reasonable & practical, we Twelve Member Jurists of this Supreme Court of Law, are Responding to Mr Duran’s Complaint by way of Respecting & Following the Well-Settled & Traditional “Principles” of both “Due Process of Law”, & the “Rules of the Common Law”.

The Member Jurists of this Court do Unanimously Affirm the very pressing & desperate “Emergency” Nature, of the Issues being Raised through this Complaint; & we especially note the Profound Social Changes that are presently being Engineered & Implemented in our modern American society, all in Response to this Non-Judicially Declared ‘Medical Emergency’, involving a “Corona-Virus”. We Unanimously Adjudicate that Judicial “Due Process of Law” is now ‘Desperately Needed’, in order that he afore-referenced ‘Mass Hysteria’ Response to these ‘Declarations of Emergency’ might finally be brought under some form of Well-Reasoned & Judicially-Accountable Control.

Building further here-under; each & all Twelve of we Jurists, as referenced here-in below, do solemnly Affirm, that, each of us have become Sufficiently Familiar with our fellow Jurists, in order to form our own separate & Well-Reasoned Beliefs, that, each & every other of the Twelve among us, is Responsibly Maintaining his or her “Good and Lawful Reputation”, in our larger American National & smaller Jural Assembly & Jural Society Communities; & that, so far as we are Reasonably able to ascertain, Each of our Members is legitimately Maintaining his or her own “Qualified-Elector Status”; & here-under, that, we are all “Qualified according to Law” to participate as in this Jury, as legitimate “Jurists”.

We each & all similarly solemnly Affirm, that, each & all of us are here-in attempting to do our best in securing Harmony with the “Laws of Nature & of Nature’s God”, as that phrase was used & originally-intended in America’s ‘Declaration of Independence’; & here-under, & in the light of the Well-Settled Tradition of the Common-Law, each of us is sincerely & humbly seeking to do our best in securing the Well-Reasoned & Collective “Conscience of the Community”, of the People who Organically Constitute the Body-Politic of these “United States of America”.

We each & all similarly solemnly Affirm, that, each of us have Sufficiently Investigated the Factual Evidence & Merits of this Dispute, in order for Each of us to Confidently & Solemnly Affirm the “Truth” of Each Item in the Judgement which we are here-in rendering. This Investigation includes Sufficient Communication with the Parties & Witnesses related to this Case, in order that each of us may Responsibly Judge Who is speaking Truthfully, & Who is Not Speaking Truthfully.

We each & all similarly solemnly Affirm, that, each of us will remain “Open”, to any New Evidence, including any New Witness Testimony, regarding the Events of this case; & here-under, that, if, at any-time in the future, any such Witness Testimony or other Evidence might logically & reasonably establish “Probable Cause to Form the Belief”, that, this Judgement is: “In Error”; then, each of us affirm that we will, Publicly, With-draw, Recant, & Vacate this Judgement.

At this point in time, we sincerely believe that possible course-of-events will never happen. The Evidence presently before this Jury is this un-controverted & solid.

We each & all similarly solemnly Affirm, that, if any or all among us might knowingly & willfully “Speak Falsely” concerning any material fact here-in, that each such among us should not only suffer Ostracism & Dis-Honor up-on his or her Reputation in our Larger Community; but also that individual should suffer what-ever “Penalty of Perjury” that any conscience-bound & reasonable twelve Jurists, might unanimously adjudicate to be Justified as punishment.

We each & all similarly solemnly Affirm, that, each & all of us are Not of any Kin-Relation to either the Complaining Parties, nor to the Accused Parties, in this case.

Further here-under; this USA-National Supreme-Court-of-Law has been Formed & Organized, in Response to, the ‘Complete Failure’ of the Roman-Empire Model of Municipal/Civil USA-National ‘Supreme-Court’, & the lower Courts operating under that Court; & also that same Municipal/Civil Government’s ‘Legislative & Executive Departments’, to Responsibly Provide for any reasonable Dissemination of the Social Necessity for Truth, Justice, Safety, Peace, & Liberty, for our Common-American People.

This modern ugly & desperate situation has allowed for a Small Group of Powerful Individuals, in & out of Government Offices, to now Routinely Pillage & Plunder our Common American People, all in manners which effectively amount to “Treason”; & this all as explained in the first 20-page document, & the second related 18-page document, as web-linked here:

<https://ConstitutionalGov.us/SupremeCourtOfLaw/Treason-USA/1-TreasonComplaint-ConstructiveNotice-AllOfficers&Agents-V1.5.pdf>

If Any Governmental Office-Holder, or Law Scholar, or Any Other American of Any Legitimate Concern with the issues raised in this document, or in any of the above web-linked documents; &/or if any of those Individuals might honestly believe that they have Found Any sort of an “Error”, in the Reasoning which we have applied in Any of these documents; (either in our viewing of the “Factual Evidence” related to this or related cases, or in our interpretations of applicable “Law” for this or related cases); then, we Demand that you Promptly Contact at least one & preferably all of the Jurists adjudicating this matter; & make them aware of the merits of your concern.

Here-under; All Qualified-Electors in the USA have the Right to Demand that your concern be immediately Scheduled to be Heard in a Reasonably Prioritized & Soon Up-Coming Court-Hearing.

Communicating such ‘Constructive Criticisms’ through written-text is especially effective in these instances; & email communication is particularly efficient & appreciated. We encourage all such

individuals to do advance-work in shoring-up their argumentative positions, through securing as many as possible “Second Witnesses” whom they have been able to convince of the merits of their critique, & whom are effectively maintaining “Qualified-Elector Status”. All such Complaints will be placed on Our Court’s Schedule, List, &/or Docket, related to the Cases which Require New or Re-Visited Judicial-Scrutiny; & they will promptly be Scheduled to be Heard as Soon as is Reasonable under all of the circumstances.

The process for becoming Certified as a Qualified Elector is quite simple; & the vast majority of this process can be completed by simply signing or verbally & publicly affirming an Oath to Assume the Duties of a Qualified-Elector, as publicly available through the web-link here:

A copy of this document, & other documents & files reasonably related to this case, may be found & printed, from under the directory web-linked, here:

Here-under; our Assembly of Twelve/12 Jurists, Unanimously Declare as follows:

1: All American-National Municipal/Civil Government Officers are here-by Judicially Ordered to Not Direct Any of Their Military Soldiers or Technology to Distribute Vaccines to our American People; & all Soldiers who might be given any such Lawless Orders are here-by Ordered to Refuse to Execute those Orders, based on the “Nuremberg Principles”, that, “Just Following Orders” is Not a Legitimate Excuse for participating in War-Crimes against Non-Combatant Populations.

1-a: The Evidence & Arguments presented in the second above section of two web-linked documents, & which explains & presents the massive Evidence that there is a Conspiracy a-foot to Reduce our American People to Slavery under Despotical Military Government, through “Treason”, has caused our assembly of Jurists to Unanimously Declare, that, ...

... it is the Duty of Local County Sheriffs, their Deputies, & Local Police Officers, & State Police, & State National-Guard Soldiers, & County Posse-Comitatus Members; to “Resist”, with “What-Ever Force is Necessary”, including “Deadly Force”, Any Attempts by Any Individuals, Including Federal Military Officers, Soldiers, or Agents, to Trespass, or other-wise come stomping around, in any of Our Counties.

The Only Exception to this rule, is when a Peace-Officer from another jurisdiction are in legitimate “Hot-Pursuit” of a person who has committed a Common-Law Recognizable “Crime”. This Exception is contingent on such such Peace Officer making reasonable good-faith efforts to Contact the Common-Law Jurisdiction Peace-Officer who has authority over that geography, & obtaining at least a verbal approval for his “Hot Pursuit” there-in. All bad-faith Pretenses, that, any such un-authorized presence in any foreign County, Precinct, or Township Jurisdiction, are here-by declared to be “Criminal Trespass”; & such may be promptly responded to by local Peace-Officers with “What-Ever Force is Necessary”.

1-b: All such concerns for Distribution of any & all Medical Remedies, including “Vaccinations”; as are being proposed by numerous American National Municipal/Civil Governmental Office-holders & Agents, may quite capably be handled by each of our Local County Government-Officers, in conjunction with already established & adequately functioning mail & merchandise delivery systems such as the United-States Postal-Authorities, FedX, & UPS; thank you.

2: All American-National Municipal/Civil Government Officers are here-by Judicially Ordered to Not Direct Any of Their Military Soldiers or Technology to Forcibly & Coercively “Vaccinate” Any of our American People; & all Soldiers who might be given any such Lawless Orders are here-by Ordered to Refuse to Execute those Orders, based on the “Nuremberg Principles”, that, “Just Following Orders” is Not a Legitimate Excuse for participating in War-Crimes against Non-Combatant Populations.

2-a: The Evidence & Arguments presented in the second above section of two web-linked documents, & which explains & presents the massive Evidence that there is a Conspiracy a-foot to Reduce our American People to Slavery under Despotic Military Government, through “Treason”, has caused our assembly of Jurists to Unanimously Declare, that, ...

... it is the Duty of Local County Sheriffs, their Deputies, & Local Police Officers, & State Police, & State National-Guard Soldiers, & County Posse-Comitatus Members; to “Resist”, with “What-Ever Force is Necessary”, including “Deadly Force”, Any Attempts by Any Individuals, Including Federal Military Officers, Soldiers, or Agents, to Forcibly “Vaccinate” Any of our common American People; even under their own other-wise mis-guided but personal good-faith belief, that, some-how, they are performing some sort of a Legitimate “Public Service”.

(And we do not care whether or not these individual Americans have signed-up for ‘social-security’, or ‘drivers-licenses’, or any of a multitude of other legal-fiction legal-nexus/minimal-contact presumptions through which the modern epidemically corrupted municipal judicial authorities routinely & secretly Presume that these innocent Americans have some-how “Contracted-Away their Constitutionally-Guaranteed Rights”.)

Unless A Specific American has Reasonably “Consented” to be Vaccinated; then, Any Individual who might Coercively & Forcibly Inject Any Individual with any such Vaccine, may be Immediately ‘Executed’, through Instantaneous ‘Death-Penalty’.

In his response to any subsequent Prosecutions which might manifest against any such Executioner, he may & should plead “Justifiable Homicide”; because any such a case of Execution as this (with-out further complexities), is here-by Declared by this Court, to be so “Justified”; & such an Executioner has the Right to Present This Supreme-Court Document in his defense.

3: In further Response to these “Corona-Virus Alarms”, our Assembly of Jurists is still working towards a final ‘Consensus’, on whether or not the popularly advocated & precautionary “Remedies” of “Social Distancing” & “Mask Wearing”, are actually “Necessary”; how-ever; we do Unanimously Agree, that:

3-a: When-ever Any newly arriving Individual, willfully Refuses to Respect any reasonable ‘Request to Wear a Mask’, or a ‘Request to Leave’; then, a ‘Complaint’ may be Filed against the belligerent, in any previously geographically mapped & defined Local “Precinct”, in the USA; & there-in Challenging the belligerent’s ‘Qualified-Elector Status’; & also there-in suggesting any such Punishments as might seem Reasonable & Justified.

Our assembly of Jurists is inclined to believe, that, there are approximately 300,000 such previously Precinct-Like Polling-Stations in the USA; & that Each of these have the Constitutionally Guaranteed Right to Establish Their Own ‘Court of Justice’, which is also known as the “Hundred Court”; & these Courts are also referenced in the Sixth-Amendment as “Districts”; & the Officer-Holders there-in have the Right to Exercise “Criminal Jurisdiction”; & in order that they may “Enforce” Their Legitimate Judgements, they have the Right to Deputize & Organize Their Own ‘Hundred-Man Army’.

All of this is explained in much greater detail, in the above first web-linked document which explains about “Self-Governing Communities”.

3-b: Here-under; & in order for our American Organic Body-Politic to effectively “Fight-Back”, Against the “Invading Corona-Virus Emergency”, & to Quickly & Efficiently bring Socially-Responsible ‘Accountability’, as against All Anarchist-like Individuals who might Refuse to Comply with ‘Minimal-Standards of Acceptable Behavior’, in the Larger Context of these ‘Emergency’ Concerns for General & Public Health & Welfare; we further declare, as follows:

3-b-1: When-ever Any Individual might Willfully Refuse to Respect “Reasonable Social-Distancing” Requirements, which are clearly ‘Necessary’, in order for our American People to Maintain ‘Public Health’; then he may be Formally Accused of Not Maintaining ‘Qualified-Elector Status’, & he may quickly & efficiently be brought to “Justice”. Here-under; Any Unanimous Twelve Qualified-Electors who are present in any such Court, & who follow traditional ‘Due-Process of Law’, may Unanimously Adjudicate that any such offender may immediately be Arrested, & he may also be Punished, in Any Manner in which those Twelve Jurists might Unanimously Agree to be in the “Interests of Justice”.

If the offending party is an “Incompetent”, then, the person who has custody over him should be similarly accused; & if the Jury so agreed with the Complaint; then, that custodian should loose his ‘Qualified-Elector Status’; & they should both be punished in such manners as the Jury might Unanimously declare to be in the “Interests of Justice”.

3-c: All Executive & Judicial Officers, at All Levels of Government, are here-by Notified, that, you are “Not Justified” in executing any “Arrest” against any such offender as described in the section immediately above; Unless there exists Evidence amounting to well-settled ‘Probable Cause” to form the Belief that he has Committed some sort of a Common-Law & Breach-of-the-Peace Recognizable “Crime”. If No Common-Law Recognizable Crime has been Committed; then, the appropriate Procedure is to Inform the offending individual of the up-coming Complaint against his Qualified-Elector Status; & to wait until the Jury Unanimously Decides whether-or-not “Force” or even “Arrest” is “Justified” in being used against the offending individual.

3-d: Here-under, & unless probable-cause actually exists to believe that some form of a legitimate “Crime” has actually been committed; & when it is only these Social-Distancing or Mask-Wearing Guide-Lines that are being dis-regarded; then, all such efforts at effecting any such of an “Arrest”, may be construed as an attempt at Class-A Felony “Kidnapping”; & such Arrests may be Resisted with “What-Ever Force is Necessary”, including “Deadly Force”.

In his response to any subsequent Prosecutions which might manifest against him, the Executioner may & should plead “Justifiable Homicide”; & such an Executioner may also Present This Supreme-Court Document in his defense.

4: We find unanimously, that, the “Emergency” Alarm over this “Corona-Virus” is Vastly Over-Rated, & Over-Emphasized; & that, while many of the Remedies Prescribed in Response to this declaration of Emergency are generally beneficial for promoting “Public Health”; a vast Majority of those Prescribed Remedies are actually “Detrimental” to the General Health & Welfare of our common American People.

At future dates; our Court’s Jury may issue Supplemental Documents to this one, & there-in providing greater details about Specific Remedies which are either Beneficial or Detrimental to the General Health & Welfare of our common American People.

May the Supreme Natural-Laws of of Truth, Justice, Safety, & Peace; Come & Rule On this Earth, & in our American Nation.

Jurors Listed:

The below listed Twelve Jurists, have solemnly affirmed before Our Court, that, we have here-in proceeded to Follow American Constitutional “Due-Process-of-Law”, which is also known as the “Rules of the Common-Law”, to the best of our reasonable capabilities; & that we have proceeded here-under in the name of, & on the behalf of, the Common People of the USA, to collectively adjudicate this complaint, in this manner, before Our Court, & before our entire larger American Organic Body of People; & before the Supreme Judge of the Universe.

These Twelve Jurists Do Unanimously Affirm & Witness that This Document is Truly & Accurately Composed & Published in manners which Accurately Reflects the Unanimous Judgement of Each of us; & that Each or All of us May Be Contacted Directly & Personally by Any Responsible-Adult in the USA, if they have any Good-Faith Critique or Complaint about the inherent Justice & Fairness of our collective Unanimous Judgement here.
