) All concerned parties, please correct us if we error.

1: With regard to the above entitled case; this Judicial-Officer, as under-signed, here-by solemnly Affirms the “Truth” of the Testimony which I present here-in. Further; I do here-by Consent, that, if I should knowingly & willfully “Speak Falsely” concerning any material fact here-in, that I should not only suffer Ostracism & Dis-Honor up-on My Reputation in our Larger Community; but that I also should suffer what-ever “Penalty of Perjury” that any conscience-bound & reasonable twelve Jurists might unanimously adjudicate to be Justified in my punishment.

2: With reference to All Twelve of we Jurists referenced below here-in, & including myself; each of us have become sufficiently familiar with our fellow Jurists, in this case; to form our well-reasoned & unanimous Belief, that, All of Us, Are, of “Good and Lawful” Character & Reputation as Honorable Members of our Sovereign American People; & that we are all “Qualified according to Law” to participate as Jurists in this Jury; & that, each & all of us are Not of any Kin-Relation to either

the Complaining or Accused Parties, in this case.

3: I further solemnly affirm, that, we Jurists have arrived at this Verdict, by way of Sufficient Counseling with our fellow Jurists, to find that all of us are “Reasonable People”, & that we are all “Bound by Conscience” ; & that we all seem to be similarly seeking to bring naturally-conscionable “Justice” to this controversy. We have shared in this Council at sufficient length, & all in un-hurried manners, where-under we do now sincerely believe that our Judgement, Verdict, & Order, here, reflects the “Conscience of the Community” of all of the Good People of these united States of America; & that this document is also in complete Harmony with the Supreme “Laws of Nature & of Nature's God”, as that phrase was used in America's “Declaration of Independence”.

4: These Twelve Jurists who are bringing life & legitimacy to this Supreme Court of Law, have come to recognize, unanimously, that, the “Complaining Parties” so moving before Our Court do possess the generally recognized “Good Reputation” with-in our larger community, in order for them to claim the Rights & Privileges which are required in order to bring their Complaint before Our Court. Here-under; we do collectively recognize that these Complaining Parties, “Randal Seesengood” & “Marvin Xxxx”, are both “Qualified Electors” & “Constituents” with-in the larger organic body-politic of the common people of these united States of America. Contact info for these complaining parties will be provided as deemed prudent, as this case progresses; (this is a rough-draft).

5: Here-under; each of the Twelve Jurists listed here-in below have all solemnly affirmed before me, & in the audio-recordings of our Court's proceedings, that, both the Complaint placed before our Court, & this Jury Verdict, are all in the “Public Interest” of our American People.

6: Here-under; we do collectively affirm, that, our assembly of Jurists here is collectively “Bound by Conscience” so-as-to responsibly participate in this effort at rendering Naturally Conscionable “Justice” in this case; & further here-under, we have each taken the time & energy necessary, in order to “Inquire” in-to, & Examine, the “Evidence” available in this case; & to use Logic & Reason, as “Reasonable People”, all so-as-to “Distinguish Truth from Falsehood, & Good from Evil”. Further here-under, & to the best of our Reasonable Capabilities; each of we Twelve Jurists have followed that specific Course of the Procedural “Steps” which are Mandated by our organic & traditional Anglo/American concept of Constitutional “Due Process of Law”.

7: Further here-under; each of we Twelve Jurists have reviewed sufficient Evidence in this case, & we have communicated sufficiently with all Witnesses to the Events of this case, & we have communicated sufficiently with all parties who might have any Personal-Interest in this case; all so that we have here-under now come to Know that the “Interests of Justice” before God, as well as the Cause of “Truth, Justice, Safety, Peace, & Happiness”, of the Common People of this Nation, & Planet; are all Best Served by the Issuance of this Verdict, Judgement, & Mandate.

Much of the Evidence which our body of Jurists have relied on in our formation of our Unanimous Judgement here, is openly available to the public, on the web-page which we have set-up for the purpose of bringing “Justice” to this case, here:

Findings of Evidence & Facts:

8A: Each of we Twelve Jurist's have personally "Inquired", at Sufficient Length & Depth in-to the "Evidence" available to us from our Larger Historical & Social Situation surrounding the Complaint up-on which this case is based, so that each of us is Confident of the Truth & Justification of all of the words presented here-in. These Inquires our reasonable communications with Witnesses, & Interested Parties; & this all so that we are now quite certain in our more specific declarations & Findings of Evidence & Facts, here-in, as follows:

8B: Testimony of xxx

8C: Other Evidence or Testimony; Xxxx.

8G: Concluding here-under; the available Evidence clearly indicates, that, Randal Seesengood is Innocent & Not-Guilty of the Crimes of which he has been accused. Further here-under; Randal Seesengood has been Lawlessly Imprisoned in the State Prison which is Supervised by "Warden Xxxx", who is named as one of the Defendants in this case.

Conclusions of Law:

9A: Habeas Corpus

9B:

Each of us do further solemnly affirm, that, if through any such discussions as these, we do become convinced, that, we have made an "Error of Judgement" in our verdict here; we affirm, that, we will Publicly Proclaim Our Error, & we will Publicly With-Draw our Individual Verdict & Judgement; all of which will there-by Break the Common-Law Requirement of "Twelve-Person Unanimity"; & there-under, this "Jury Verdict" document, will become Null & Void; all of which we really do not expect to happen.

Please note that many of us sincerely believe that our present system of roman-empire-law based "civil government" has deteriorated in-to a thinly-disguised military-police-state, & that our economy is on the verge of collapse, & that we may well be rounded-up & herded like cattle into concentration-camps, all similarly as that same corrupted roman-empire military model of government did to many obviously innocent Japanese People, during World-War-2.

Here-under; all parties please note that it takes some serous "Courage" for each of us to place our detailed contact-information on our individual jurist documents; but we have come to the point where we are willing to take this "Calculated Risk", that we may be targeted for Murder or Prison-Camps, all similarly as seems to us has been done by many previous, such as John & Robert Kennedy, Martin Luther King, Leonard Peltier, & Lavoy Finicum.

Further here-under; We do here-by Consent, that, if Any Among Us should knowingly & willfully "Speak Falsely" concerning any material fact here-in, that We should not only suffer Ostracism & Dis-Honor up-on Our Reputations in our Larger Community; but that We also should

suffer what-ever “Penalty of Perjury” that any conscience-bound & reasonable Twelve Jurists might unanimously adjudicate to be lawfully “Justified” against us.

7: This Judicial-Officer is also participating in the issuance of this Jury Verdict, because, I have come to know, that, the afore-said “Necessity for Justice” is especially pressing in modern times; because, as referenced above; there does exist on our Planet, a very powerful group of “Criminally Syndicated Conspirators”, who are using Deception, Propaganda, & a Militarized form of Criminal “Coercion”; in their efforts to reduce our Planet's People into a soft-form of enslavement.

Those “Powerful Criminal Conspirators” are especially “Targeting” our honorable Public Servants, especially including Honest Judges, Attorneys, Court Staff, Sheriffs, Deputies, & Police Officers. There-by; those powerful conspirators clearly Evidence that they are scheming to Convert our Nation's Democratic “Republic”, into an “Empire”, where-in our common People are reduced to little more than “Slaves”. Reducing People to “Slaves”, is “Criminal”, under our nation's traditional Anglo/American “Common-Law”, aka: “Due Process of Law”.

The critically-important “Economic Issues” involved in this larger Conspiracy, are explained clearly in numerous popular & well-researched videos. One is called “Century of Enslavement: ...”, & another is called “The Money Masters”; both of which are listed in the two web-links following, here:  
<https://www.youtube.com/watch?v=5IJeemTQ7Vk>  
<https://www.youtube.com/watch?v=UrJGIXEs8nI>

The aristocratic “One Per-cent” described in these videos are the immediate Beneficiaries of the intellectually & morally bankrupt policies of “Trickle Down Economics” & “Too Big to Fail” Banking Policies. Here-under; the natural-persons behind these mega-wealthy racketeering criminal-syndicates, place Immense Pressure on honorable Judges, Court Personnel, & Attorneys in our nation's Judicial System, to “Obstruct Justice” & “Hinder Prosecution” of Multitudes of the Crimes & “Offenses Against the State & Public Justice” which those same Powerful Criminal Conspirators to routinely there-under commit.

More specifically; those Powerful Criminals have Infiltrated & Secured “Hostile Take-Over” of the Entire Court System of our nation's present Civil Government, at all levels; & the honorable Judges & related Public-Servants there-in have Not been able to Purge the Courts which they are responsible for presiding over, from these Criminally-Organized, Powerful, & Evil Men.

Here-under; our common People are No Longer capable of Accessing the “Tools” which the “Law” Requires to be used in our Courts, so that our common People may there-in bring in-to existence the “Conscience of the Community” as “Justice”. These “Tools of Law”, which are suppose to me made available to secure this “Justice” in our nations Courts; specifically include our Peoples Rights to “Due Process of Law” & “Trial by Jury”.

I & my eleven fellow witnesses & jurists are optimistic that this more organic & grass-roots effort will produce our organic body-politic Necessity of meaningful “Justice” for us.

Our Jurists are here functioning “Inquisitorially”, as was the ancient mandate for all common-law Jurists; then & now, because of our natural cultural inclination to protect our communities from criminals, by way of our Personally Exercising “Vigilance” in our collective pursuit of socially meaningful “Justice”. Our due-process is more efficient at securing this naturally-conscionable “Justice” for our communities, because, we are the living-breathing constituents of our collective organic body-politic. We are the “Stake-Holders”, with legitimate “Vested Interests” in Securing meaningful “Justice” for the People who reside in our State.

The ancient & traditional process of our laws stand in stark contrast to the more rigid, cumbersome, & sterile mode of “Adversarial Proceedings”, as are followed under Roman-Law based “Civil Jurisdictions”. There-in; the coercively-assembled Jurists are routinely Intimidated by similarly coercively compromised “Magistrates”, of limited-jurisdiction, in-to collectively & individually Evading their own Natural Instinct to “Inquire” from the Litigants, about the “Truth” of the specific Points in Dispute. Rather such Jurists are routinely Intimidated in-to merely sitting-by, passively; & not uttering a single word; while two notoriously compromised private/corporate bar-association attorneys put on a show like they are sincerely competing with each-other in efforts to show the jurists of the true merits of their positions.

~~~~

8: We jurists are also participating in the issuance of this Jury Verdict, because, we have come to know, that, this process for obtaining “Unanimous Judgements from Members of Communities” is way Superior for Securing “Justice”, than is any process where-in “Single-Men”, in Positions of Power, Decide how Armed-Force shall be applied among the People who organically compose our Communities. That process of relying on “Single-Men” to adjudicate disputes, is the very sort of process where-in the afore-mentioned “Powerful Criminal Conspirators” find a “Friendly Environment” for their Socially Parasitical Strategy of Sucking the Life-Blood out of our local & spiritual organic bodies politic. These words are “True”, because, “Single Men” are way more susceptible to “Coercion” by the afore-said “Powerful Criminal Conspirators”, than are multi-party tribunals; & when that “Critical Mass” of People numbering “Twelve” is finally reached, it becomes almost an impossibility for such criminal conspirators to negatively influence the resulting jury-verdict.

9: We jurists are fully capable of “Distinguishing Truth from Falsehood, & Good from Evil”; & here-under we have taken the time & energy necessary, in order to “Inquire” in-to, & Examine, the “Evidence” available in this case; & to use Logic & Reason, as a “Reasonable People”, who are “Bound by Conscience”; & there-by to participate in this manner in rendering Naturally Conscionable “Justice”; regarding all matters which are declared to have been fully “Adjudicated” in this case.

10: We have come to Know as a Fact, that, the specific category of Law known as “Writs of Habeas Corpus” specifically mandates that All Americans are Constitutionally Entitled to “Due Process of Law” Before they may be sentenced to Prison; & that save only in the rare instances where very real war-like “Emergencies” prevent its prompt application, that applicable Law Requires that the “Prisoner Shall be Released”, Immediately, from his Imprisonment; in all cases where the Prison Warden can not present clear & convincing “Evidence” that constitutional “Due Process of Law” has been fully & properly followed.

11: Here-under; we Jurists have reviewed sufficient Evidence in this case, & we have communicated sufficiently with all Witnesses to the Events of this case, & we have communicated sufficiently with all parties who might have any Personal-Interest in this case; all so that we have here-under now come to Know that the “Interests of Justice” before God, as well as the Cause of “Truth, Justice, Safety, Peace, & Happiness”, of the Common People of this Nation, & Planet; are all Best Served by the Issuance of this Verdict, Judgement, & Mandate.

~~~~~

12: We have personally “Inquired” At Sufficient Length & Depth in-to the available “Evidence”, including reasonable communications with Witnesses, Prosecutors, & Interested Parties; all so that we are quite certain in our more specific declarations & “Findings of Fact” in this case, as

follows:

13: Randal Seesengood has been Incarcerated through a Court-Related Process which has Failed to Follow American Constitutional “Due Process of Law”.

14: There has been No Evidence presented, from any person, of any “Mens Rea”, or “Malicious Intent”, on the part of Randal Seesengood, in this case.

15: There has been No Natural-Person “Real Party in Interest”, or “Complaining-Party”, who has appeared as a “Witness” to Lawfully “Accuse” Randal Seesengood of Any Wrongful-Act in any previous court-related proceeding in the Case that was made against Randal Seesengood.

16: There was No Evidence Shown from Any Person that there exists Any Natural-Person “Victim”, “Corpus Delicti”, or “Body Harmed”, in the Case that was presented against Randal Seesengood.

17: Under the Jurisdiction & Laws of our Constitutional “U.S.A.”, Samuel Girod has Not Committed Any Constitutionally-Recognizable “Crime”.

18: Any & All Judgements, Verdicts, & Orders, from any & all previous court proceeding related to this same case, & which are in any way in conflict with this Judgement, Verdict, & Mandate; are here-by declared to be: Lawless & “Null & Void”.

19: Here-under; the “Interests of Justice” Require that Randal Seesengood be “Immediately Released” from his present Imprisonment.

20: Speaking in the Ex-Rel Sovereignty of the People of our American Nation; each & every one of we Twelve Unanimous Jurists, here-by Command, Mandate, & Order, that, all Public-Servants in Our American Nation who have Any Influence over the present his Incarceration, Do Every-Thing In Your Power to bring forth the “Immediate Release” of Randal Seesengood from his present Un-Lawful Imprisonment.

21: This Jurist here-by declares that the “Interests of Justice” do “Warrant” an “Economic Reward” of “One Million Dollars” to the personal account of any Judge, Attorney, Executive-Officer, or other person, who may be capable of bringing about the Prompt Release from Prison of Randal Seesengood. “Bonds”, on the Full Faith & Credit of the People, of our American Union of States; shall issue, forth-with.

22: “Probable Cause” Does Exist for Reasonable People to Form the Belief, that, at least some of the People Acting as “Public-Servants” in the Prosecution, Verdict, & Sentencing of Randal Seesengood to Prison completed their actions with Maliciously Criminal Intent. Here-under; those Corrupted Public-Servants Knew that they were proceeding Lawlessly; &, in essence; committing the Crime of the “Kidnapping” of Randal Seesengood, which is a “”Class A Felony”. Yet they did Not Care; most likely because they are in Positions of Power in our governmental structure; & there-under they feel “Immune” for any form of “Accountability” for their Malicious & Criminal Actions. Those individuals need to carefully consider their vulnerability to a Criminal-Complaint against them, unless they assist in promptly assisting in the remedy for their bad behaviour, as out-lined here-in.

Massive “Probable-Cause Evidence” further indicates there are Multitudes of other Innocent People in Prison, all as the direct-result of similar Activities of the very Same Organization of Criminally Syndicated Racketeering Conspirators as previously referenced. This Evidence seems to indicate that lavish “Economic Rewards” which Lubricate this Evil-Machinery are distributed to compromised public-servants through “Prison Bonds” which Assign an “Economic-Value” to Each Prisoner who has been so lawlessly incarcerated.

23: This Jury Verdict is presently “Incomplete” regarding all of the issues related to this case. This “Incomplete” status of this Jury Verdict is manifesting here, because, our “Higher Priority” here is only concerned with Freeing Randal Seesengood from Prison. We have been forced to assign a “Lower Priority” to our duty to pursue those afore-said Criminally Syndicated & Socially Parasitical Conspirators who are involved in this maliciously lawless incarceration, because, many among us are “Terrorized” that if we do directly prosecute those Criminal Conspirators, then violent retaliation may be implemented against us by that organized & powerful mob of conspirators previously referenced. Our present Jury Coalition is “Fragile”; & it took great levels of Courage & Patriotism for each & every one of our Jurists to sign-on to even this fairly tame but necessary jury-verdict document. And so, we will leave that entire issue for another possible adjudicatory-proceeding.

One of our largest concerns is focused on the “Foreign Law” which is Routinely Applied by the Judges who Preside in our Nation's Civil/Municipal/Statutory “Federal Court System”.

The Procedures there-in seem to us to be fatally entangled in some form of an Admiralty, Maritime, Private, Commercial, Administrative, Emergency-War-Powers, Military Jurisdiction. The routine Process there-in seems quite “Secretive”; all seemingly similar to what amounts to the older Secretive British “Star-Chamber Courts”; where-under merchants could gain an order to have a finger surgically removed from men who were un-able to pay the commercial-jurisdiction debts which had been ascribed to them. Modern Municipal/Statutory Federal Judges seem to claim Legitimacy for multitudes of Judgements which routinely Lend Color-of-Legitimacy for Private/Corporate Jurisdiction Mercenaries to Move With Aggressive & Un-Justifiable Force Against Accused Americans.

Those Civil/Municipal/Romanistic/Imperial/Administrative/Militaristic “Laws” are “Foreign” to the “Laws” which have Traditionally been held in “Common” among Our Anglo/American People's Organic Body-Politic. Our Common People possess “Common Knowledge” that the Judges presiding in the Statutory Federal Courts do routinely follow Court Procedures which are similar to those used in the Courts of the Empire of King George, just prior to when our American People were forced to Resort to armed-revolution against his tyranny & despotism.

Under American Constitutional Law, We have the Right to Try the Complaints Against the Accused, who has been Shackled & Drug in Chains before Your Courts, Slandered, & frequently even Murdered. Statutory Illinois Courts do Not have “Exclusive Jurisdiction” in this case; & even more pointedly, they do Not have “Original Jurisdiction”. Those Courts are Constitutionally Recognizable as “Courts of Limited Jurisdiction”, & as “Inferior Courts”. The Judges presiding in those Courts are only gaining their color-of-legitimacy to proceed there-in under numerous un-constitutional & de-facto secretive emergency-war-powers resolutions, which there-by colorably grant the office-holders there-in a form of militarized & martial-law Jurisdiction. A clear majority of the civil-servants there-in seem to be involved in Malicious Schemes to Bury even further in Secrecy the essential military nature of their limited jurisdiction from the Constituent Members of our American Organic Body-Politic.

We, the Common-People, in “The States”, Have “Original Organic Body-Politic Jurisdiction”. We are Courts of “General Jurisdiction”; as recognizable as “Courts of Justice”, under “Oregon Revised Statutes”, at: “ORS 1.010”. ... <http://www.oregonlaws.org/ors/1.010>

The Wording of the “Seventh-Amendment” to the “U.S. Constitution” document; clearly implies that “Unanimous Jury Verdicts” under the “Rules of the Common-Law” are to be construed as “Conclusive”, & a “Bar” or “Estoppel”, form further proceedings in the foreign Civil/Municipal Jurisdiction of the US Federal Courts. And the Sixth Amendment Originally Intended for the Judicial “Districts” described there-in to be from “Our Venue”, under this “State Level”; & Not under the Private/Corporate/Civil/Municipal/Statutory-Federal Venue, with it's “Limited Jurisdiction”,

particularly under the “Ten Miles Square” Constitutional Constraint.

This is a “Choice of Law” issue; as the following web-links more clearly explain:

[https://en.wikipedia.org/wiki/Choice\\_of\\_law](https://en.wikipedia.org/wiki/Choice_of_law)

[https://en.wikipedia.org/wiki/Vicinage\\_Clause](https://en.wikipedia.org/wiki/Vicinage_Clause)

Our Court's Jurists claim “Common-Law Venue”, in “Original & Exclusive Jurisdiction”, over this Case involving Randal Seesengood. We claim this Original & Exclusive Jurisdictional Right to Conduct this Due-Process Trial of these accused Americans in “Our Own Venue” of Organic Common-Law Jurisdiction.

Directly related here-to; “Magna Charta”, at Article 34, clearly declares:

**“The writ called precipe shall not in future be issued to anyone in respect of any holding of land, if a free man could there-by be deprived of the right of trial in his own lord's court.”**

We Common American People are Claimants of these Magna-Charta Based “Rights of ... Free-Men”. These Rights are Constitutionally-Guaranteed to us in various Amendments to the “U.S. Constitution” document, specifically, the First, Fifth, Sixth, Seventh, Ninth, Tenth, & Eleventh Amendments; & Illinois State's Constitution contains similar provisions.

So far as the Illinois Civil/Municipal/Statutory Jurisdiction is concerned; Our Jurisdiction is “Private”, because we are a Community or “Jural Society” of “Responsibly Self-Governing” Americans, who are proceeding under our own Private “Common-Law” Venue & Jurisdiction. However; with regard to the Common People of all of America, including Illinois; we are proceeding in manners which are completely “Open & Public”. We do this so that All Concerned People may Witness that Our Proceedings are being Conducted in manners which meticulously follow “Due Process of Law”, as Guaranteed to All Americans in the “Fifth Amendment” to the “US Constitution”, & as similarly Guaranteed to All People in Illinois, through similar constitutional provisions.

The Jurists of Our Court are capable of securing these Constitutionally Guaranteed Rights to “Justice” through “Due Process of Law” for Both Sides of this Litigation; & this all in much more quick, efficient, & conscience-bound manners, than the Process in which Statutory Illinois Circuit Court Judges seem constrained to follow.

If Randal Seesengood can be Shown by Any-One to have Violated Any of the General, Organic, & Public Criminal-Laws of our American union of States; then, our Jurists are Sworn to Convict him, & to do every-thing in our power to produce “Justice”, & full compensation to the Victims of the Crimes of which he will then have been convicted. Our Jurists solemnly affirm, that, we will Convict any & all People from Our Own Venue/Jurisdiction who can be Proven to have Committed Crimes.

Please note an important “Issue of Law” here; is that, all “Public Interests” are Only Accumulations of collective “Private Interests”. Here-under; if no natural man or woman steps forward with any claim that their “Private Interests, Rights, or Liberties” have been Violated by the Accused; then, there is logically & reasonably “No Public Interest” which any man or woman can accuse them of

also having violated. “Legal-Fiction Plaintiffs” will Not Be Allowed in Our Court's Proceedings, because the true & legitimate “Rules of the Common-Law” do Not Allow for such “Legal- Fictions”, at any stage of proceedings, including especially the prosecuting of Complaints.

Further here-under; all Accusers, Must Show Evidence that the person they have Accused has caused a “Mens-Rea”, Malicious-Intent; “Actus-Reus”, a specific Criminal-Act; & “Corpus-Delecti”, Evidence of a Physical Natural-Person Body-Harmed. This “Burden of Proof” is On the Accusers. If those Accusers Fail to Show these “Essential Elements of the Crime”; then, our twelve-person Jury will be Obligated under “Due Process of Law” to Unanimously “Dismiss” their Complaint, for “Failure to State a Complaint up-on which Relief can be Granted”.

~~~

Final Judgement, Verdict, Mandate, & Order:

10: Speaking in the Ex-Rel Sovereignty of the People of these united States of America; each & every one of we Twelve Unanimous Jurists, here-by Command, Mandate, & Order, that,
10A:

11: Each of the Jurists deliberating the merits of this case in Our Court have solemnly affirmed, that, we will remain “Open”, to any New Evidence, including any New Witness Testimony, regarding the Events of this case; & here-under, that, if, at any-time in the future, any such Witness Testimony or other Evidence seems logically & reasonably to establish “Probable Cause to Form the Belief” that this Judgement, Verdict, & Order, might be: “In Error”; then, each of us affirm that we will, Publicly, With-draw, Recant, & Vacate this Judgement, Verdict, & Order.

At this point in time, we sincerely believe that possible course-of-events will never happen.
The Evidence presently before this Jury is this solid, & this un-controverted.

Case-Law in Support of this general process, reads as follows:

### **Concluding Notes:**

13: Our Jurists have come to know, that, obtaining the "Unanimous Agreement of Twelve People" on any issue is very "Difficult"; & once this task is accomplished, this is a form of Naturally Logical "Evidence" that the Final Judgement of such a Jury is a "True Verdict". As is well documented in the history of our Anglo/American culture, this Concept of relying on the Unanimous Agreement of Twelve concerned Members of the Community, has produced a powerful & fundamental Belief & Conviction, that, this is a very "Reliable Process" for achieving "Truth, Justice, Safety, Peace, & Happiness", in all of our Communities. These words are especially "True", when, as in this case, both sides of the dispute have been given full & Ample Notice & Opportunity to Participate in the Open & Public Debate of the Merits of the Arguments Presented.

14: We Twelve Jurists are also participating in issuing this Jury Verdict, because, each of us have come to know, that, there is a Constitutionally Prioritized "Necessity" & "Desperate Need" for "Justice" to be provided for the People of our Nation & Planet. This "Necessity for Justice" exists even in the best of communities, & in the bast of times; & it is of particularly prioritized importance when it involves modern grass-roots efforts at bringing-forth more accountable forms of our American State & National Government, as is the situation in the case which document is concerned with.

15: Our Jurists have further come to know, that, there does exist on our Planet, a very

powerful group of “Criminally Syndicated Conspirators”, who are using Deception, Propaganda, & Criminal Military & Economic “Coercion”; on our Planet’s People. Those “Powerful Criminal Conspirators” are especially “Targeting” our honorable Public Servants, especially including Honest Judges, Attorneys, Court Staff, Sheriffs, Deputies, & Police Officers. There-by; those powerful conspirators clearly Evidence that they are scheming to Convert our Nation into an “Empire”, where-in our common People are reduced to little more than “Slaves”. Reducing People to “Slaves”, is “Criminal”, under our nation’s traditional Anglo/American Law.

More specifically; those powerful Criminals have infiltrated & secured “hostile take-over” of the entire Court System of our nation’s present Civil Government, at all levels; & the minority of honorable Judges & related Public-Servants there-in have Not been able to Purge the Courts which they are responsible for presiding over, from these Criminally-Organized, Powerful, & Evil Men.

Here-under; our common People are No Longer capable of Accessing the “Tools” which the “Law” Requires to be used in our Courts, so that our common People may there-in bring in-to existence the “Conscience of the Community” as “Justice”. These “Tools of Law”, which are suppose to me made available to secure this “Justice” in our nations Courts; specifically include our Peoples Rights to “Due Process of “Law” & “Trial by Jury”.

More specifically; the available “Evidence” in support of this Verdict & Judgement, tends to indicate that the afore-referenced “Powerful Criminal Conspirators” who are so maliciously scheming their hostile take-over of our American Nation are using “Cointelpro” Tactics to Subvert Honorable grass-roots Efforts at producing a “More Accountable Form of Government” for our American People.
