

**Karmic Resolution;  
of Cynthia Moore,  
as Publicly Resolved and Declared,  
on this date of 2020-December-\_\_\_\_.**

***Reunited of Tera Nova, and Her Seed.  
Back on the Land, in Oneness, and Claiming Ownership of Creation.***

I, Cynthia Moore, executrix of my own Free Will, am here-by Claiming the Heritage of all of Creation; and I do here-under Anchor my Feet as Roots in the Core of Tera Nova, On The Land.

I am within Tera Nova, she who Blossoms and bring forth Life in all of Creation. In this now, in this this second, and under all of this Creation; I am taking Ownership and Responsibility for All my Past and Present Lives.

I, Cynthia Moore, executrix of Self, am here-by acting of my own Free Will; and in manners which bring Forth only Life. Further here-under, and in this now, in this this second; I do Publicly Resolve and Declare that I do here-by Rescind and Nullify All Contractual Entanglements which tend to perpetuate War or Death, or which emanate from Any Tyranical or Despotic Control Systems.

I, Cynthia Moore, executrix, here-by declare, that, Corrupted People seem to have Presumed that I have Volunteered or Consented to be bound by the Bankrupt Monetary System of them-selves and their cohorts. How-ever; I now am Publicly Declaring my Correcting of any and all such Contracts and other entanglements which might lend any color-of-legitimacy to those sorts of Despotic Presumptions. Here-under, and right now, in this second; I do Publicly Resolve and Declare my Rescinding and Nullification of all such contractual or other entanglements in that present Despotic and Bankrupt Monetary System.

I Cynthia Moore, executrix, do here-by Claim my Standing on the Land; and in furtherance there-of, I do Put Down my Four Stakes on this land; and similarly for all of my creations, past and present. The law of the Land is my Substantive and Unalienable Right.

I , Cynthia Moore, executrix, do here-by Claim my full Equitable Estate; I am here-by taking Full Responsibility of Everything which I have Created in this and all other of my Lives; and this includes even those which I may not be Aware Of.

I here-by invoke my natural Capacity and Power to Declare My Public Resolutions. Right now, in this second; I here-under do Publicly Declare and Resolve, that, All Outstanding Debts and Attachments and Liabilities and so Forth which are at all related to my Equitable Estate as referenced here-in, are here-by Settled and Close. This specifically includes All Contracts which I might be presumed to have Consented to, including those both Known and Unknown.

I, Cynthia Moore, executrix, at this very moment, right this second, and by my own Free Will, do furher here-by Declare my Public Resolve to Rescind and Nullify all Monetary Attachments and Debts, and the Vortex that Recycles these through all forms of spiritual and metaphysical Reincarnation Pre-Programs of life existence. Here-under; I am Free and No Longer BOUND to that Modern and Un-Naturally Perverted System for Monetizing Debt. That System has No Authority, No Power, and No Jurisdiction over Any Heirs of Creation, including my-self.

That entire Perverted System is a Parasitic Mimicry and False Entrainment of Life Energies, all of which Pervertedly seek to Dominate and Control Innocent People through Lies and Deception. All of that is Maliciously Designed to Create and Impose a Parasitic and False Reality, where-under our Common People are Forced by Confusing Smoke and Mirrors in-to states of Slavery and Obedience.

Under a Priori Principal, and proceeding of my own Free Will; I Cynthia Moore, executrix, do Publicly Declare and Resolve the Purity and Wholeness of Standing in my Full Sovereign Integrity. As a 'Matter of Law', these Public Declarations do Remove me From the Cult of Death, from the Realm of Death, and from All Rules which might other-wise there-under be presumable to be applicable against me; and this specifically includes All Contracts, Known and Unknown, which I might other-wise be presumed to have Consented to.

Right now, in this this second; I do Public Resolve and Declare All of those to be Rescinded and Nullified.

Right now, in this second, I, Cynthia Moore, executrix, and proceeding of my own Free Will, do hereby declare and re-affirm, that, All Men are Created Equal; and that I here-under do Chose Life and Liberty and the Pursuit of Happiness.

And so it is, and So it shall be.

Cynthia Moore.
