Re: Common Pleas Foreclosure: 561 Kings River Road.
Equity Case #: 2019-CP-22-00978 561.
Date: 2020-December-____.

With reference to the above-described real property, located at 561 Kings River Road, in Pawleys Island, South Carolina; please find enclosed a copy of the Certified Cashier's Check #: 2005, as issued on the date of Sept 24, 2020, and under Account #: 1002, and marked as Exhibit A. Also please find a copy of the Receipt for the related Nov. 2, 2020, Foreclosure Sale, under case # 2019-00978, and marked as Exhibit B.

I & my associates believe these documents present adequate Evidence to convince reasonable people of the Legitimacy of the Claims made by me, and as related to this real property, that the Debt associated here-with has been Cured and Paid (Public Law 73-10, HJR-192, as passed by Congress). As a "Matter of Law"; and by and through my presentation of this Commercial-Instrument marked as Exhibit A, and as made out to both my-self, & also to First-Citizens Bank & Trust Company; I & my associates have fully Paid to First-Citizens Bank & Trust Company \$320,000.00, which has adequately Cured and Paid for my Auction Sale Bid for \$290,000.00, under the Auction Sale that was held on Nov. 2, 2020.

Further here-under; please send to me, a Deed to this real-property, thereby releasing to me, all right title & interest which your First Citizens Banking & Trust Company presently possesses, as concerning this real property. A simple 'Quit-Claim Deed' will be quite adequate. Here-under; please also send me a complete Accounting of all Expenses which have accrued in association with this real property & foreclosure sale; & please also send me your check or another commercial instrument for what-ever amount of funds is remaining & leftover, from after your final total of all indebtedness is subtracted from the excess of funds which I have tendered to your company.

I, Cynthia Moore, executrix Owner, Beneficiary, the Superior holder of interest in the estate of my deceased husband Robert L. McDonald, am Claiming my Beneficial Rights (Inherent) to this Estate, including all Equitable Interest there-in. I Stand as a Pure and whole being, with my own directive capacity and Free Will, under the priori principle that I hold and embody in the Sovereign Integrity of my eternal being, and where-under I am Standing in a Physical Realm where all Contracts, both Karmitic, Monetary and so forth, which do not serve my being, Purpose, or intent, are at this moment, now, Resolved as being Rescinded and Nullified.

If you now refuse to honor that I have the natural capacity to Rescind and Close these Contracts, then you are there-by Violating the Universal Law, where-under you shall be punished accordingly, now, in this moment and second.

And so it is. We The People have Unalienable Rights, and Constitutional Protections, because All Men are Created Equal. The United States Declaration of Independence says Heritage to the Land has been given to all humans by their Creator; and that Government Officers are Created to Protect our "Life, Liberty and **pursuit of Happiness**".

All Court Administrators who might refuse to so honor my natural capacities as these, are standing in Violation of the Fifth and Fourteenth Amendments, which require that All People, including my-self, have prompt access to Due Process of Law.

Your threats, attempts at coercion, scare tactics, and all other actions which are designed to deprive me of my right to tranquility, as guaranteed by the preamble and body of the Constitution for the United States of America; amount to Nothing. I owe you Nothing, nor do you have any jurisdiction over me.

By any such such refusal, you will be violating the RICO laws, stocking laws, and depriving me of my rights under mere legal-fiction color-of-law; all in violation of both the common law and the Constitution. Those such actions are also acts of tyranny, which amount to treason. You have No Probable Cause to believe that my ownership and possession of this real-estate is illegal; and if you continue here-under you will be proceeding in manners which are unjust and Unconstitutional.

The Court System and All Government Officers, including Judges, Sheriffs, President, Clerk of Court, Attorneys, and all State Legislators, hold their offices Only for the Purpose of Secure these Rights for our common People, including me. Governments and Government Officers are instituted among men for These Purposes Only; and they derive all of their legitimate and just powers from the consent of the governed.

As Attorneys, you have Duties to uphold your Oath to the Constitution to protect the People, including me. If you do not respect that oath, then you are guilty of Obstructing Justice, and further action will be taken.

4 US Code S 101 Oath by members of legislatures and officer: Every member of a State legislature, and every executive and judicial officer of a State, Shall, before he proceeds to execute the duties of his office, take an oath in the following form, to wit: "I, AB, do solemnly swear that I will support the Constitution of the United States, The Government has Promised to Uphold the United State Constitution to Defend, to Protect, and to Preserve. The Government is the Guard of the Republic and of the We The People."

I, Cynthia Moore, am a Deacon and Warden in the Natural Law Church, which is a Private Religious and Jural Society. We have here-under established our own Court of Law, which is serving the objective Public Interest, through the exercise of our own common-law compliant and private jurisdiction. This Court is called the 'Supreme Court of Law for the USA', and it is a Sovereign Ecciesiastical body, constituted of the living men, women, and children, all of whom have walked out of the Death Cult of the matrix, and walked into life.

Here-under; we exist as a living Sovereign body, which have have walked out from and set ourselves apart from the matrix of the Babylonian System of bondage; and we are now Standing on the land; all of which brings to an end the dead Franchise which has been fraudulently attached to us through bonds of death and monetized debt which purport to ensnare us perpetually forever.

Jurisdiction means to speak the law; so, in any given case before our Court, and at least so long as we comply with the “Rules of the Common-Law”, (as referenced in the Seventh Amendment); We have the Authority to Declare the Law to be applied in Any Case before our Court, all as Our Juries might Unanimously Adjudicate to be “In the Interest of Justice”.

As a ecclesiastical and religious organic body-politic and jural-society, we have the same Protections and Immunities as any other Society on the Planet.

You have No Lawful Authority to impair the right of a Private Contracts.

You have No Authority to impair the right of a Private Congregating and Assembly.

You have No Contractual or Jurisdictional relationship with, or right to impar the functions of our ecclesiastical Sovereign body.

“Book 1 General Norms: Title II: Customer (Cann.23-28): Can. 23:

Only that custom introduced by a community of the faithful and approved by the legislator according to the norm of the following canons has the force of law. Can. 24 §1. No custom which is contrary to divine law can obtain the force of law. §2. A custom contrary to or beyond canon law (*praeter ius canonicum*) cannot obtain the force of law unless it is reasonable; a custom which is expressly reprobated in the law, however, is not reasonable. Can. 25 No custom obtains the force of law unless it has been observed with the intention of introducing a law by a community capable at least of receiving law. Can. 26 Unless the competent legislator has specifically approved it, a custom contrary to the canon law now in force or one beyond a canonical law (*praeter legem canonicam*) obtains the force of law only if it has been legitimately observed for thirty continuous and complete years. Only a centenary or immemorial custom, however, can prevail against a canonical law which contains a clause prohibiting future customs. Can. 27 Custom is the best interpreter of laws. Can. 28 Without prejudice to the prescript of can. 5, a contrary custom or law revokes a custom that is contrary to or beyond the law (*praeter legem*). Unless it makes express mention of them, however, a law does not revoke centenary or immemorial customs, nor does a universal law revoke particular customs, with mean, Immemorial Custom Law (Universal Court) Supersede Canonical Law.”
