

List of Noteworthy Americans;

Deserving of being Rated & Categorized Publicly for Credibility & Honor in the Qualified-Electors Listings which are to be Composed by Individual Americans.

(This list is a combination of both people whom the average American considers to be popular leaders, as well as people actively involved in or related to the “Law & Courts” related work, of the main organizer of this project, one “Charles Stewart”. This list is designed to be used by individual Americans, to be “Copied & Pasted”, in-to their own Listing of Judgements of Americans whom they are Rating & Categorizing as either “Qualified-Electors”, “Indifferent” Profiles, or as “Subversives”. Other Qualified-Electors are invited to contribute the names & data-sets of others whom they consider sufficiently note-worthy to be included here-in.)
