I, Charles Stewart, I solemnly affirm based on my own personal knowledge, that, the people listed in the mid-section here-in below of “Indifferent”, have each committed such acts of dis-honorable behaviour as to Obstruct my conscience-bound ability to Certify them as “Qualified-Electors/Constituents”; & also that the people listed the lower section of “Opposed”, have each committed such extremely dis-honorable acts that my conscience commands me to speak out as being Publicly “Opposed” to any effort form any other Qualified-Electors to Certify these people as “Qualified-Electors/Constituents”, with-in our American National Organic Body-Politic.

I Publicly Ask All Honorable Americans to fill out a similar document as this; & that with each individual that they are listing there-in, being solemnly declared by them to be in one of these same three basic categories, of “Supported”, “Indifferent”, & “Opposed”.

I believe the implications of this effort are firmly rooted in common-law & bible-law, & that they have far-reaching effects & potential in assisting honorable people to clearly identify those among us who are either subversive, or truly worthy of of positions of leadership with-in our larger American Patriotic Community.

I pledge that I will up-grade or down-grade my judgement -values assigned to each person, when-ever well-reasoned arguments which support such re-consideration are presented to me.

This document is a “rough draft”, with numerous minor errors in it; but, it's text accurately reflects my own personal “Judgements” concerning the honorable characters & reputations of each of the individuals named here-in.
