

**Charles Stewart's Solemnly-Affirmed List of
Qualified-Electors/Constituents, Indifferents, & Accused-Subversives.**
01-December-2017. Version-1.4.

I, Charles Stewart, do here-by solemnly & publicly Affirm, before the Supreme Judge, Grand Architect, & Champion of Truth & Justice in the Universe; my sincerely well-reasoned & conscience-bound “Judgement”, based on my own personal-knowledge of their behaviour; that, the People listed in each of the basic Three Categories of this document, those being “Supported”, “Indifferent”, & “Accused/Opposed”; that, in My “Judgement”, each of those people so listed are fully Deserving of being listed in the Categories in which I have categorized them.

I Publicly Ask All Honorable Americans to fill out a similar document as this; & that, when they are Judging & Categorizing People in similar manners, that, they make their final similar document fully “Public”, so that I & others might benefit from the conscience-bound & well-reasoned Insights which their similar documents are Evidencing their solemnly-affirmed testimony concerning. Here-under; I & others may “Correct our Errors”, if indeed your insights are superior to those of our own. More explanatory commentary & my own contact-info is listed at the end of this document. This work is incomplete, & it will be up-dated & expanded regularly.

\*\*\*\*\*

I, Charles Stewart, I solemnly affirm based on my own personal knowledge, that, the people listed in the mid-section here-in below of “Indifferent”, have each indulged in such acts as to Obstruct my conscience-bound ability to Certify them as “Qualified-Electors/Constituents”.

Also; the people listed the lower section of “Opposed”, have each committed such seriously dishonorable acts, that my conscience commands me to speak out as being Publicly “Opposed” to any effort form any other Qualified-Electors to Certify these people as “Qualified-Electors/Constituents”, with-in our American National Organic Body-Politic.

I Publicly Ask All Honorable Americans to fill out a similar document as this; & here with each individual there-in listed being solemnly declared to be in one of these same three basic categories, of “Supported”, “Indifferent”, & “Opposed”.

I believe the implications of this effort are firmly rooted in common-law & bible-law, & that they have far-reaching effects & potential in assisting honorable people to clearly identify those among us who are either subversive, or truly worthy of of positions of leadership with-in our larger American Patriotic Community.

I pledge that I will up-grade or down-grade my judgement-values assigned to each person, when-ever well-reasoned arguments which support such re-consideration are presented to me.

This document is a “rough draft”, with numerous minor errors in it; but, it's text accurately reflects my own personal “Judgements” concerning the honorable characters & reputations of each of the individuals named here-in.

These words are True.

Charles Stewart.
