ORDER

Before: COLE, Chief Judge; SILER and GRIFFIN, Circuit Judges.

This matter is before the court for initial consideration to determine if this is a permissible appeal. Michigan Municipal Risk Management Authority has filed a motion to dismiss the appeal for lack of jurisdiction.

The documents before the court indicate that David Schied filed a civil rights and tort action against a variety of defendants on May 21, 2015. On September 30, 2015, a magistrate judge entered an order striking four of Schied's subsequent filings for failure to comply with the local rules governing the format and page limitation of motions and briefs. On November 18, 2015, Schied filed what was construed as a notice of appeal from the September 30, 2015, order.

This court may exercise jurisdiction only over final orders, 28 U.S.C. § 1291, and certain interlocutory and collateral orders, 28 U.S.C. § 1292; Fed. R. Civ. P. 54(b); *Cohen v. Beneficial Indus. Loan Corp.*, 337 U.S. 541, 545-46 (1949). The order Schied seeks to appeal is neither a final order nor an appealable interlocutory or collateral order. *See* 28 U.S.C. § 636(b)(1); Fed. R. Civ. P. 72(a).

No. 15-2464

- 2 -

Accordingly, it is ordered that the appeal is **DISMISSED**.
