GRIEVANTS' SECOND (2ND) DECLINE TO MAGISTRATE JUDGE JURISDICTION

In accordance with the provisions of 28 U.S.C. § 636(c), I **decline** to have a United States magistrate judge conduct all further proceedings in this case and I hereby request that this case be reassigned to a COMPETENT United States Article III district court judge that will abide by all governing procedures due to parties operating in common law and in an Article III Court of Record.

¹ "The term 'District Courts of the United States,' as used in the rules, without an addition expressing a wider connotation, has its historic significance. It describes the constitutional courts created under article 3 of the Constitution. Courts of the Territories are legislative courts, properly speaking, and are not District Courts of the United States. We have often held that vesting a territorial court with jurisdiction similar to that vested in the District Courts of the United States does not make it a 'District Court of the United States.'" *Mookini v.
