<sup>1</sup> "The term 'District Courts of the United States,' as used in the rules, without an addition expressing a wider connotation, has its historic significance. It describes the constitutional courts created under article 3 of the Constitution. Courts of the Territories are legislative courts, properly speaking, and are not District Courts of the United States. We have often held that vesting a territorial court with jurisdiction similar to that vested in the District Courts of the United States does not make it a 'District Court of the United States.'" *Mookini v. Re: 1) filing of documents; 2) Request for time-stamped copies returned via SASE

Dear Clerk of the Court,

Enclosed you will find one signed “*original*” and one “judge’s” copy of the filings listed in the attached “*Certificate of Service*.”

Please make sure that BOTH PAGES are time-stamped for my records as requested herein. **Attached to this letter is a Self-Addressed Stamped Envelope (SASE) with extra copies of the cover pages of these TWO documents. Please “*time-stamp*” and return BOTH of them at your earliest convenience.**

**Note that in the past history of lower federal court actions, my requests for having time stamps on the *Certificate of Service* AND the cover pages of other documents submitted for that purpose have been ignored, implicating those in the court clerk’s office of contributing to the overall denial of Grievant David Schied to due process and proper record-keeping. Additionally, I have documented that despite my sending these documents to the District Court clerk in Flint where I hand-deliver other filings and receive time-stamps from that Flint office, when received in the mail the Flint court causes an extra delay in the filing and time-stamping of records by forwarding these records to Detroit instead of immediately time-stamping and entering these documents into the Federal court record. Please reverse this “*pattern and practice*” and simply provide me in return what is requested right away in accordance with my right to have such an expectation be met, and so not to continue prejudicing this case against me by falsification of the actual record of “*service*” upon this federal court for the Eastern District of Michigan.**

Thank you.  
Respectfully,
