case as Co-Defendants “DOE #1” and “DOE #2” respectively for their roles in the overall conspiring of their co-Defendants “*to falsely imprison*” Grievant David Schied “*while knowingly acting without reasonable cause as justification*” and while “*acting with malicious intent, in concerted fashion, and by means of tyrannical acts of ‘domestic terrorism,’ under ‘color of law,’*” to both carry out their dirty deed(s) but to then afterwards cover all of this up, by falsifying official records and by more recently deceiving this Article III Court of Record.

Re: 1) filing of documents; 2) Request for time-stamped copies returned via SASE

Dear Clerk of the Court,

Enclosed you will find one signed "*original*" and one "judge's" copy of the filings listed in the attached "*Certificate of Service*."

Please make sure that ALL THREE PAGES are time stamped for my records as requested herein. **Attached to this letter is a Self-Addressed Stamped Envelope (SASE) with extra copies of the cover pages of these THREE documents. Please "*time-stamp*" and return ALL of them at your earliest convenience.**

Note that in the past history of lower federal court actions, my requests for having time stamps on the *Certificate of Service* AND the cover pages of other documents submitted for that purpose have been ignored, implicating those in the court clerk's office of contributing to the overall denial of Grievant David Schied to due process and proper record-keeping. Additionally, I have documented that despite my sending these documents to the District Court clerk in Flint where I hand-deliver other filings and receive time-stamps from that Flint office, when received in the mail the Flint court causes an extra delay in the filing and time-stamping of records by forwarding these records to Detroit instead of immediately time-stamping and entering these documents into the Federal court record. Please reverse this "*pattern and practice*" and simply provide me in return what is requested right away in accordance with my right to have such an expectation be met, and so not to continue prejudicing this case against me by falsification of the actual record of "*service*" upon this federal court for the Eastern District of Michigan.

Thank you.
Respectfully,
