Re: Witness to Redford Township v Brent Mohlman

Case No. 12A06969

17th District Court of Wayne County, Michigan
15111 Beech Daly Road
Redford, Michigan 48239

AFFIDAVIT

Be it known to all Parties of interest that I, David Lonier, after attending the above captioned court hearing and swearing by prior affidavit to my observation of the occurrences about the time of that hearing, did seek upon two occasions to obtain transcripts of the hearing, as well as any other recordings pertaining to non-party observer David Schied, who I saw forcibly abducted from the public gallery of the courtroom without any cause whatsoever, and while he was simply sitting peaceably in the audience.

My first attempt was on the day of hearing, June 8, 2012, sometime after Mr. Schied was abducted from the courtroom when I and at least one or two of the other court observers met with the 17th District Court clerk and asked to place an order for the transcript and all other recordings that pertained to the above captioned hearing. I was told that there was no transcript or other type of recording of that hearing as it was an informal hearing and, as such, no recording was made of the hearing.

My second attempt to do the same came a few weeks later when Patricia Kraus and I again met with the Court Clerk and requested transcripts, video and audio recordings, as well as Registry of Actions, the judge's Court Order and anything else that referenced the events of the morning of June 8, 2012. Again we were told that there was no record whatsoever of the hearing due to its being alleged to have been an informal hearing. Supposedly, we were told, no records are made of, or available for, informal hearings.

I, the undersigned, declare under penalty of perjury under the laws of Michigan, that the foregoing is true and correct to the best of my recollection.
