

March 28, 2

Your Honor, Paul S. Maloney,  
My name is [REDACTED]. This  
letter is in regards to my friend  
Jason J. Stodumle. Jason is currently  
lodged in the Delta County Correctional  
Facility in Escanaba, Michigan. On  
March 22, 2017 I filed this case with  
the Federal Court in Marquette, and,  
as his Power of Attorney, I received  
a letter of Notice of Receipt of Case  
naming you as the new judge.  
On the 22nd of March, Jason also  
was seen in court by judge Steven  
Parks. Parks postponed the case  
until today, March 28, 2017 when  
seen in court by judge Parks,  
Parks refused to acknowledge the  
decision of this case now being  
out of his jurisdiction. (Jason's  
former case # is: 16-F4-368 with  
Escanaba. His current case number  
with the Federal Court in Marquette,  
Michigan is: 2:17-CV-00054-PLM-TPG.)  
Jason has some important  
concerns he asked that I address  
with you. In Jason's own words,  
he feels Escanaba is a kangaroo court,  
falsifying and withholding  
documents, and allowed corporate  
fraud attorney Russ Hall who  
is a financial attorney, and  
who Jason had released from

representing him.) Judge Parks  
ordered Jason to stay silent,  
unable to defend himself. (Most  
of those sent a subpoena were  
present at court.) Judge Parks  
completely denied Jason's Habeas  
Corpus, and told Jason that he  
plans to have him extradited to  
Wisconsin on April 13th, when  
his sentence will be completed  
in Escanaba. Jason is now afraid  
for his life, and would appreciate  
if you could look into this with  
urgency. If you need to reach me,  
you may use the enclosed address,  
or leave a message with my sister  
Karen Phillips. I will respond as  
soon as possible.

Sincerely,

[REDACTED]  
[REDACTED]  
Power of Attorney for  
Jason G. Goodwill
