RE: **Notice of Fault**<sup>1</sup> and **Final Opportunity to Cure**

To Jerry Labut, Beverly Buritz, Bill Schuette, Sally Talberg and Too All of Your Agents and Representatives:

I am writing each of you again today as a Notary Witness in follow up to the 3<sup>rd</sup> Party “*Presentment*” that I sent to you myself earlier on 12/15/17 for which I have proofs of mailing to each of you. As a reminder, the harmed and aggrieved party, David Schied, had previously provided each of you (through that 12/15/17 mailing) with his “*Cashier’s Check*” (in the amount of \$139.98 tendered under conditions of David Schied being “*under duress and terrorist threat*”), his 12-page sworn and notarized “*Notice of Liability Regarding Trespassing Technology*”, and his 3-page sworn and notarized “*Affidavit*” but without a return response from any of you (current or former) “*DTE management representatives*” and corporate “*STATE OF MICHIGAN officials.*” I have noted that although the previous correspondence that I sent to you provided you with a reasonable amount of time to respond back, no such response whatsoever has come from any of you.

**NOTICE OF FAULT OPPORTUNITY TO CURE**

I refer to the previous correspondence dated 12/12/17, written by “*Grievant/Crime Victim/Claimant*” David Schied, which was personally served upon you by “*presentment*” from me on 12/15/17, for the details of the case(s) to which I refer. That document has the important links to online documents that provide the testimonial history of the circumstances surrounding this case and the CAUSE behind this current action. I have personally verified the working order of the links provided to assure that they were, and continue to be, in working order and accessible to you, as equally to the public, as of the date of this instant writing today. Further, I

As with any administrative process, honorable responses are full acceptance or conditional acceptance. Dishonorable responses are argument or silence. **The Statements and/or Claims made may be controverted by executing and delivering a verified response point-by-point, in affidavit form, sworn and attested to, and signed by yourself / yourselves with evidence in support of that which you controvert by Certified or Registered mail and addressed to me at the address above.** I have noted that by malfeasance<sup>2</sup>, misfeasance<sup>3</sup>, or by other form of gross negligence<sup>4</sup>, you have failed to follow the law in answering and have chosen silence as your response. As such, *Grievant/Crime Victim /Claimant* David Schied is entitled to following the law remedy and compensation for special damages<sup>5</sup> incurred.

Voet, Com. Ad Pand. Lib. 47, t. 10, n. 1. (*Bouvier's Law Dictionary*, 1856 Ed.)

You therefore have another 10 days, being on or before Wednesday, January 31, 2018 (1/31/18) to respond to the statements and claims of that previous package of documents listed above and referred to by me as my “*presentment*”.

If full acceptance or conditional acceptance is chosen, note that I will assist as Notary Public in the facilitation of the demanded remedy between the harmed party, *Grievant/Crime Victim /Claimant* David Schied and yourselves.
