1: In accompaniment with this Motion, we Counter-Plaintiffs have also submitted in-to the District Court Clerk’s Case-File for this case, our rather lengthy “Criminal-Counter-Complaint” document.

There-in, we Counter-Plaintiffs have Submitted Our Sworn Testimony, that, in the Two Midland-County Courts of “Midland County Court-At-Law, # 2”; & “Precinct-2’s Justice-of-the-Peace Court”, the Two Judicial-Officers there-in, have Capitulated to Powerful Criminal Racketeering Interests; & that, there-under, they have Failed to Provide Constitutionally-Guaranteed Remedies to we Counter-Plaintiffs, including to the People of Texas & Midland County; & that, here-under, the”Interests of Justice” Mandate, that, a “New Trial” be conducted, in order that this case might actually & finally be Adjudicated Properly & Legitimately, in full accordance with traditional Texan Notions of Constitutional Due-Process-of-Law, aka: Due-Course-of-Law, aka: the Law-of-the-Land.

Here-under; it appears to we Counter-Plaintiffs, that, this District-Court is Duty-Bound to Issue an Order, or some document similar; & there-by Setting a Date For a New Trial, all where-in a Proper Due-Process Compliant & Twelve-Member Jury, finally, might fully & properly Adjudicate the actual Merits of All Issues involved in this case.

Respectfully Submitted;

Michael Moore, &/or Christine M. Huddleston/Moore;
