

Please Help Organize Socially-Responsible Local-Community Members to Build ‘Responsibly-Self-Governing Local Communities’.

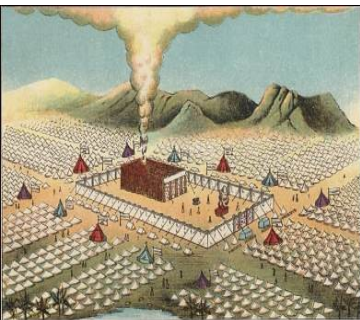

This is Mandated in Texas Constitution’s Bill of Rights: Article 1, Section 1, for: “... the Preservation Of The Right of Local Self-Government ...”.
Once This Constitutionally Mandated Procedure is Completed, Immense Benefits will Immediately Appear for You & All of Our Neighbors.

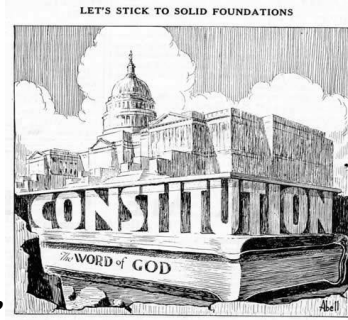

These Benefits will Include:

- 1: Better Accountability & Integrity in Elections & Political Process, Through Smaller Communities Counting & Certifying Our Own Elections Results.
- 2: Much Better Health-Care; Law-Enforcement Security, & Emergency-Preparedness, & Much More Responsible Local Community Control Of Judiciary & Courts.
- 3: This Greater Accountability Will Eliminate Most Economic Waste & Corruption, which Will Free Up Enough Economic Resources To Provide Economic Security, Prosperity, & Cover the Minimal Basic Economic Needs of All Good-Faith Participants.

All of this is Based on the Biblical Torah-Law Model of Organizing Local Self-Governing Communities, as described in Exodus 18: 17-26; Deuteronomy 1: 9-17, Mark 6: 40; & Luke 9: 14. All Coercive Taxes Will Be Replaced By Non-Coercive Economic “Tithing Donations”. This Process Encourages More Government Participation By Religious Communities.

These Biblical Torah-Law Mandates Are Preserved under Constitutional Common-Law. Texas Statutes & Government Code, at Section 418.151, Declares, Every Person in Texas has Duties

under Common-Law, To Participate in Local Community Organizing & Emergency-Preparedness.

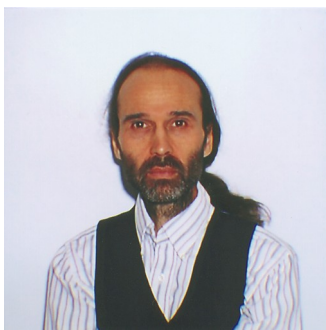

Many Documents are available which Explain in Greater Detail this Constitutional Local Community Organizing Process; as here:
