**AFFIDAVIT OF EVIDENCE IN SUPPORT  
OF SCHEDULING AN EXPARTE HEARING.**  
18 USC 4 Issue: In the interest of justice.

**EMERGENCY IMPERATIVE AND DEMAND FOR EXPARTE HEARING**

I, Laurence Rene' Goodman, Affiant, uncompromised freeman, in pro per and sui juris, state and affirm:  
As one of the People who supports and upholds the Constitution for the United States of America

1. The defendants are not replying to any and all communication.
2. The interest of justice mandate that this case be held promptly. The corruption seems to have saturated the Colorado State Courts. The over-zealous prosecutor Shapiro has bamboozled presiding Judge Spear into disregarding fundamental principles of due process of law and fair play so that this plaintiff is being railroad into prison for 35 years. Unless this court intervenes promptly this plaintiff will suffer permanent and irreparable damage; as has happened to multitude of others as evidenced by the abnormally percentage of Americans in prison as compared against other nations.
3. Applicable law requires the scheduling of a hearing in this case in the interest of justice.
4. This "EMERGENCY IMPERATIVE AND DEMAND FOR EXPARTE HEARING" is required to be prior to June 18, 2018, to prevent further injury.

I, Laurence Rene' Goodman, certify and swear on my own Commercial Liability, that I have read the foregoing instrument, titled **AFFIDAVIT OF EVIDENCE IN SUPPORT OF SCHEDULING AN EXPARTE HEARING**, and that, to the best of my knowledge and belief, it is true, correct, complete, and not misleading, the truth, the whole truth, and nothing but the truth. I reserve the right and duty to update and correct this instrument as needed.

I, Laurence Rene' Goodman autograph: *Laurence Rene' Goodman* make this claim.

Notice was not given to relevant Colorado State individuals pursuant to Fed. R. Civ. P. 65(b)(1), because the state court assumedly protected itself, signaling an intentional act to deny federal and state law. I was explicitly told in open court that I was not allowed to copy my pleadings to any relevant Colorado State individuals. Additionally, I was intimidated and threatened with a jail sentence by Judge Michael Spear in Denver District Court Case No. 17CR10088 and prosecuting attorney Robert Shapiro, in violation of 18 U.S.C. 1513, to prevent me from informing appropriate authorities of such activities.
