CreditSignal® is a FREE service that alerts you to changes in your D&B credit file. For many companies with complete and healthy credit files, these indicators may be all that is needed. To access scores and ratings or to help build your credit file, we recommend that you log in to your product and upgrade to either CreditMonitor™ or CreditBuilder™. If you would like more information about what these changes mean or anything else related to your D&B credit file, please call 1-866-584-0283 and speak to a Dun & Bradstreet Credit Advisor.
