## **TO COMPEL THE RIGHT OF SUBROGATION**

I. Laurence Rene` Goodman, a living man, in common law, pursuant to the judicial power of Colorado State Republic, and your special laws C.R.S. 2-4-211(2018), C.A.R. 21, C.A.P. 28(h), and C.R.C.P. 106(a)(2) brings this above titled action to seek performance of obligations in this Common Law Petition for a Show Cause Hearing. Also claimant demands that this case be transferred to an impartial Constitutional Article III Court of competent jurisdiction in common law.

### **NATURE OF THE CASE**

1. The principle of natural justice, that no person can judge a case in which they have an interest.<sup>1</sup> The rule is very strictly applied to any appearance of possible bias, even if there is actually none: "justice must not only be done, but must be seen to be done."<sup>2</sup>
2. Natural justice is a technical terminology for the rule against bias, the right to a fair hearing "audi alteram partem." While the term natural justice is often retained as a general concept, it has largely been replaced and extended by the general phrase "duty to act fairly." The basis for the rule against bias is the need to maintain public confidence in the legal system.

### **STATUS OF CLAIMANT**

3. Claimant Laurence Rene` Goodman, is not "a Citizen of the United States" a civilly dead entity operating as a co-trustee and co-beneficiary of the "Cestui Que

Public Charitable Public Trust," of the U.S. Inc. under the 14<sup>th</sup> amendment, which upholds the debt of the UNITED STATES OF AMERICA corp. A.K.A. U.S. Inc." Congressional Record, June 13, 1967, P.P. 15641-15646 and or it subsidiary corporation known as STATE OF COLORADO. And or refuses to contract and to be unwilling compulsory surety for the alleged defendant herein known as SS Trust LAURENCE RENE GOODMAN in this commercial civil claim case NO: 17CR010088 security CUSIP: 693390544 bond number. See Exhibit "A"

**NOTICE OF CLAIM OF RIGHT OF SUBROGATION  
FOR COURT BOND FOUND IN CUSIP: 693390544  
IN DENVER DISTRICT COURT, CASE NO: 17CR010088**

4. The evidence shows that you are using claimant's equity as surety for a civil court bond found in CUSIP: 693390544, in DENVER DISTRICT COURT, CASE NO: 17CR010088 a civil court case. I hereby exercise my right of subrogation, as sole foreign beneficiary and Equity Title holder, creditor living man of the above security claim all equity rights of said commercial case.

5. The said CUSIP No. appears to be a record for identifying transfers of this security to PIMCO TOTAL RETURN II ADMINISTRATIVE. Claimant demand's that the bond related to this CUSIP No. be brought forward and that the proceeds from said bond be used to set off and settle all charges concerning Case No. 17-CR-010088 and all interest, excess amount of bond, and remaining funds and assets be paid the claimant, beneficiary, and creditor.

6. As the respondent is subject to your own rule, 18 U.S.C. § 472, which further seems to bar you from communicating about anything related to the security generated by these case numbers, then it would behoove the respondent to dismiss this case (your commercial claim) with prejudice.

7. This claimant will not be held as a unwilling compulsory surety in your corporate commercial civil claim any longer. The living man is subrogating this claim because he is the sole foreign beneficiary, Equity Title holder of the SS Trust the alleged defendant. Your claim against the SS Trust is without Full Disclosure of any contractual obligation between the alleged parties. Because this claimant is the Equity Title holder, this claimant is the creditor, the living man has the right of subrogation. The living man is not just the creditor of the trust I am a Colorado State Republic Citizen, not a UNITED STATES citizen, thus I am creditor as one of the people upon the Land. See attached Memorandum of Law. Your commercial case has failed to disclose the true parties and the true nature and cause of the action. The fictional entity cannot harm anyone. Only the Legal Title holder, Trustee (unknown public servant) can harm another party. The beneficiary does not have contractual agreement to be held as the unwilling compulsory surety in your claim.

#### **REQUISITES TO A COMMON LAW HEARING**

8. The claimant avers and alleges that judicial administrator Michael Spear is proceeding in Denver District Court Case No. 17CR10088 without proving persona or subject matter jurisdiction or the lawful authority of the court upon the record. Either

produce the Constitutional violations or the lawful contract between the parties. The judge has not produced a lawful contractual obligation. A pretrial hearing is set for December 5, 2018 and a jury trial is scheduled for January 14, 2019 without full disclosure or persona jurisdiction .

9. The claimant avers and alleges that the record in Denver District Court Case No. 17CR10088 evidences that the respondent is impersonating a district court judge because of his failure to timely file an oath before January 8, 2013, as required by your own rule C.R.S. 1-1-201, see Exhibit "B", and as required by the mandates of Article VI, Clause 3, Constitution for the United States of America, ratified in 1789; Colorado Constitution, Article XII, Sections 8, 9, and 10; Article XIV, Section 9; the "ordinance irrevocable" § 4, 18 Stat. 474, the Colorado Enabling Act, Schedule, Section 2 and 22, Colorado Constitution, ratified in 1876, and attendant statutory authorities. His failure to file any fiduciary bond or recognizance is a violation of your own rule C.R.S. 18-8-407.

10. The claimant avers and alleges that he cannot find any evidence that *People v. Quimby*, 152 Colo. 231, 381 P.2d 275 (1963), has been overturned that states: "A person chosen to fill a term of office is not permitted to assume the duties of the office until he files a bond and oath of office, which must be done before the commencement of the term, or the office shall be deemed vacant."

## RIGHT TO COMMON LAW

11. The claimant avers and alleges there is no other remedy available. Ordinary forms of legal procedure do not furnish an adequate remedy and irreparable injury will result if this commercial case/claim is not dismissed with prejudice.

12. The claimant also avers and alleges that the aggrieved party and the corporate PEOPLE OF COLORADO have no adequate claim either In Law or in Equity. As a result of an amendment to Article 6, Colorado Constitution, Constitutional Amendment No.1- Senate Concurrent Resolution No. 12, 43 General Assembly, 1961; uniformed voters removed all courts of law and equity from the said Constitution contrary to the Colorado Enabling Act and repugnant to Article III, section 2, of the United States Constitution, ratified in 1789.

**Therefore.** Claimant is justified in seeking a permanent remedy in the form of a Common Law Administrative Procedures and Remedies. The respondent's case as proven by the CUSIP number and bond is a civil commercial action. Under said power of Section 2, Article II, Colorado Constitution: claimant demands respondent cease operations; remove the ankle monitor from the claimant; return his stolen property; and make the claimant whole again in the amount \$150,000 silver species; and or prove up your claim.

Claimant believes that the foregoing information and evidence is sufficient to justify emergency action by the Court: such emergency action by the Court is believed

to be an absolute necessity to cure the defects; and accordingly, the Court is urged to respond immediately and favorably.

Failure to dismiss or prove your claim, provide and contract between the alleged parties and or produce the persona and subject matter jurisdiction of your commercial corporate court per Law of the Land, Judicial Law. The creditor will assess upon your commercial negotiable presentment one million \$1,000,000.00 silver species (species is 1 oz. of .999 per silver) against any and all trespasses, injuries violations, per day each and separately per officer, agent and or corporate person and agency, nun pro tunc from the time of arrest April 6, 2017, and ensuing. If you do not dismiss your claim by January 1, 2019, and make the claimant whole again as stated above.
