**Notice & Demand**

The Superior Court and the People's Grand Jury in Colorado is up and running.

You never had jurisdiction over the people (although you presumed and pretended you did, hoodwinking most into believing that you did)!

Correct the record of everyone of the people in Colorado/the Continental united States of America.

Use your 'color of law' Statutes only on your employees (citizens).

Restore each and everyone of the people their property, dignity and purloined assets.

Recognize that the people have sovereignty and created (ordained and established) your employment contract (the Constitution for the united States of America, 1789, and the Colorado Constitution, 1876).

Live up to your Oath of Office, honor our unalienable rights secured by the Constitutions or vacate the state forthwith.

**CERTIFICATION**
